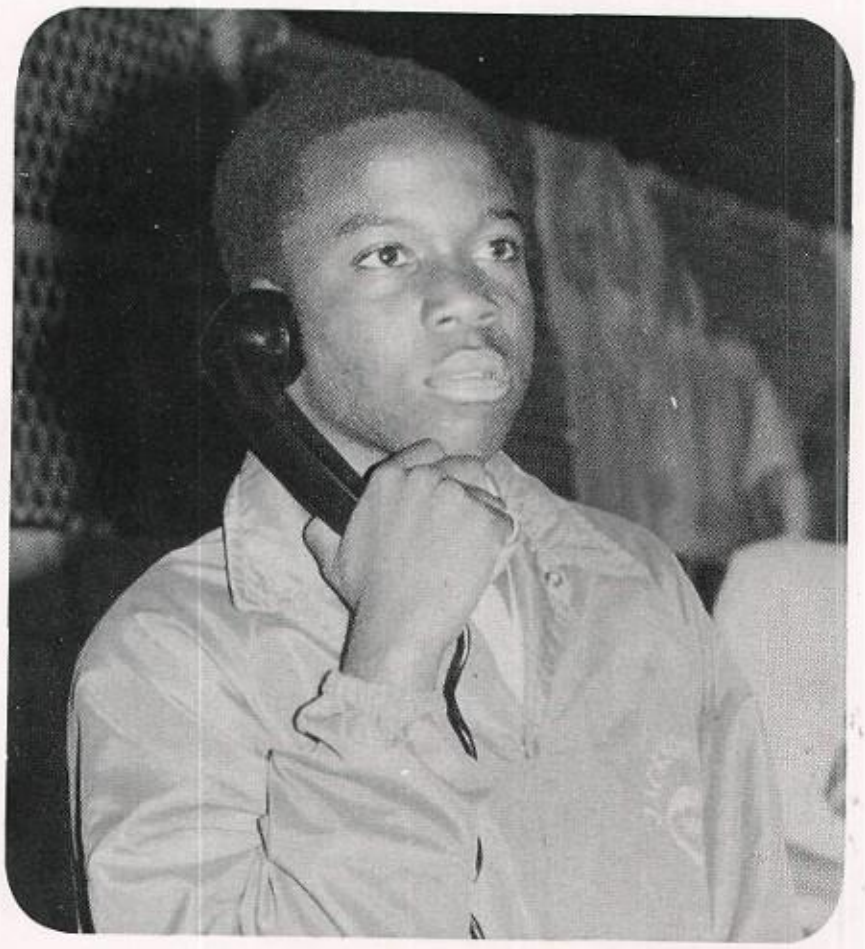
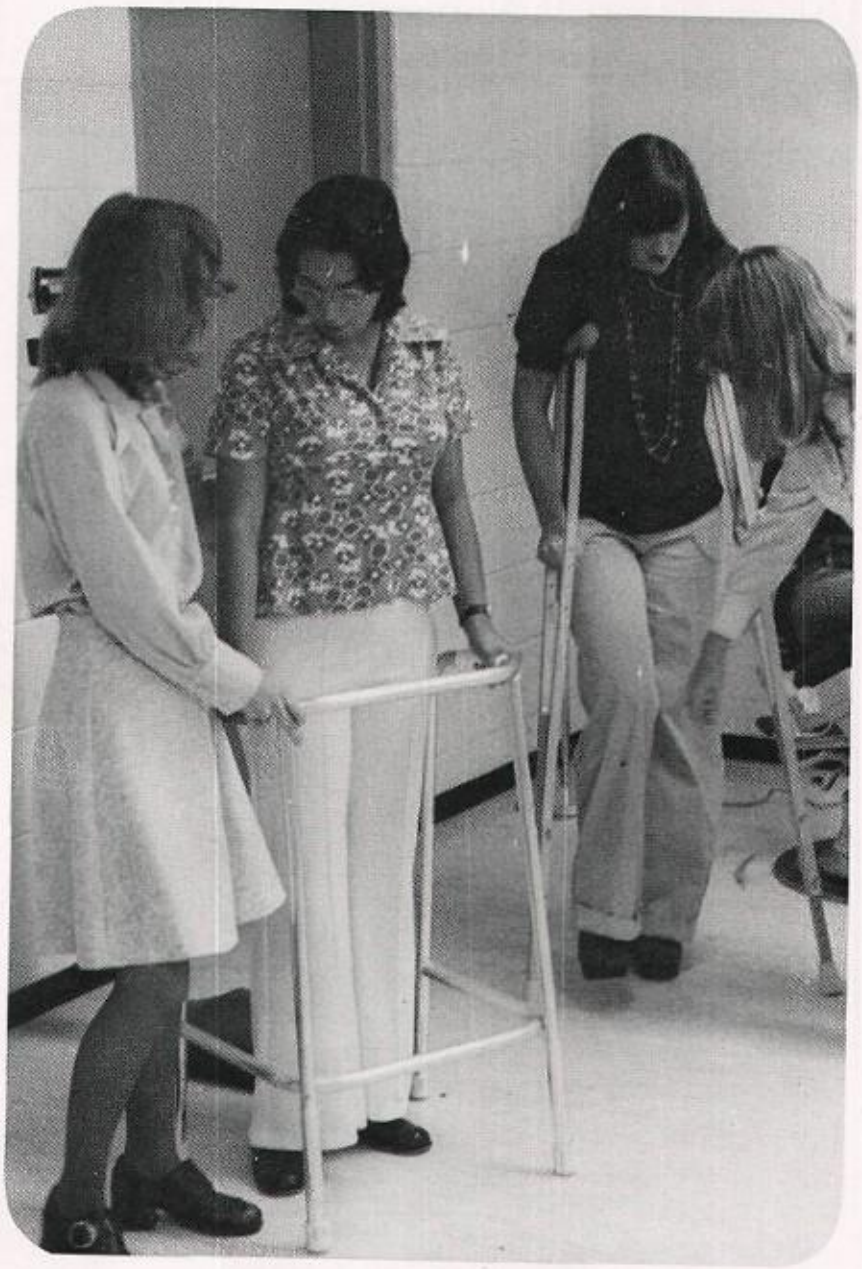
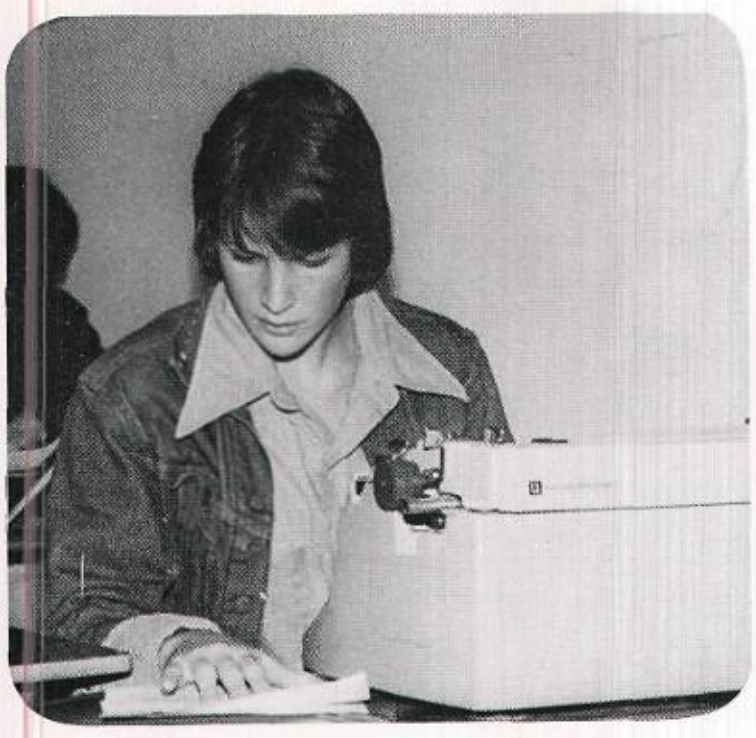
Our lives today are constantly on the move. A student's life involves many school activities and jobs. We are never stopping and always changing. The national events are also on the move. This past year political incidents have given us a new President and Vice-President. Our nation is on the move. The world is continuously turning. New leaders, new borders and new discoveries provide us with an **ON THE MOVE** world.

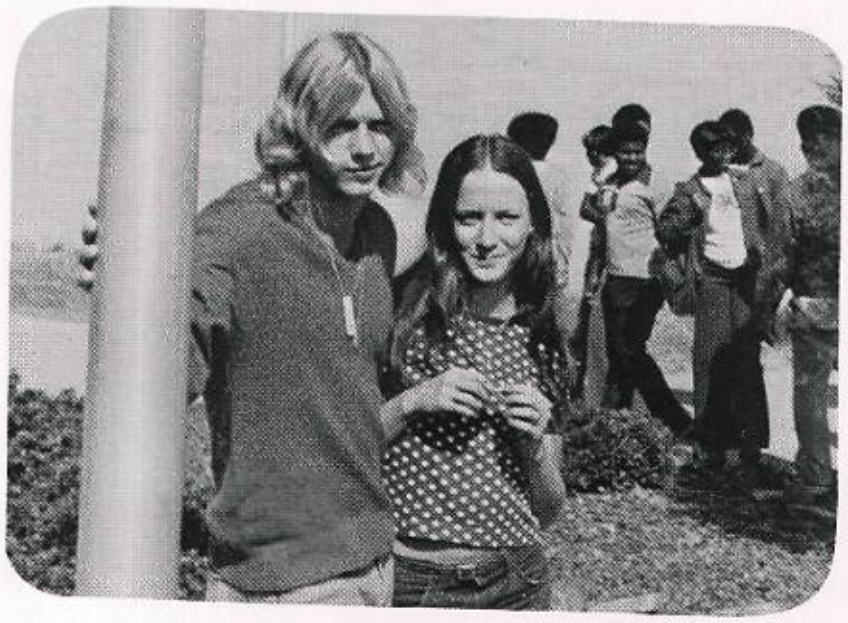
On the Move

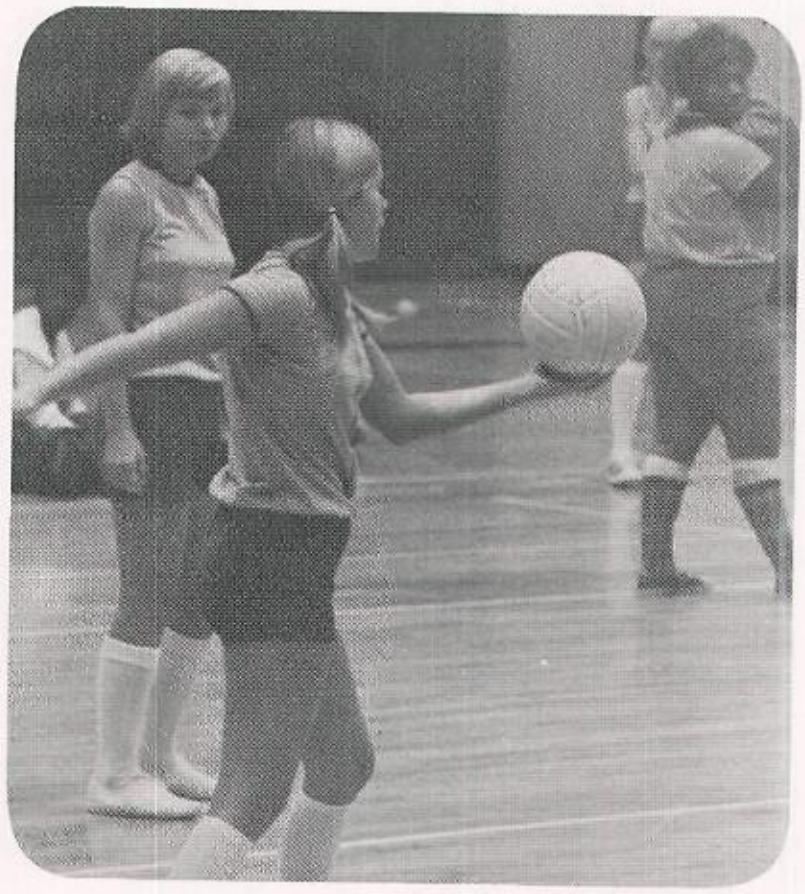




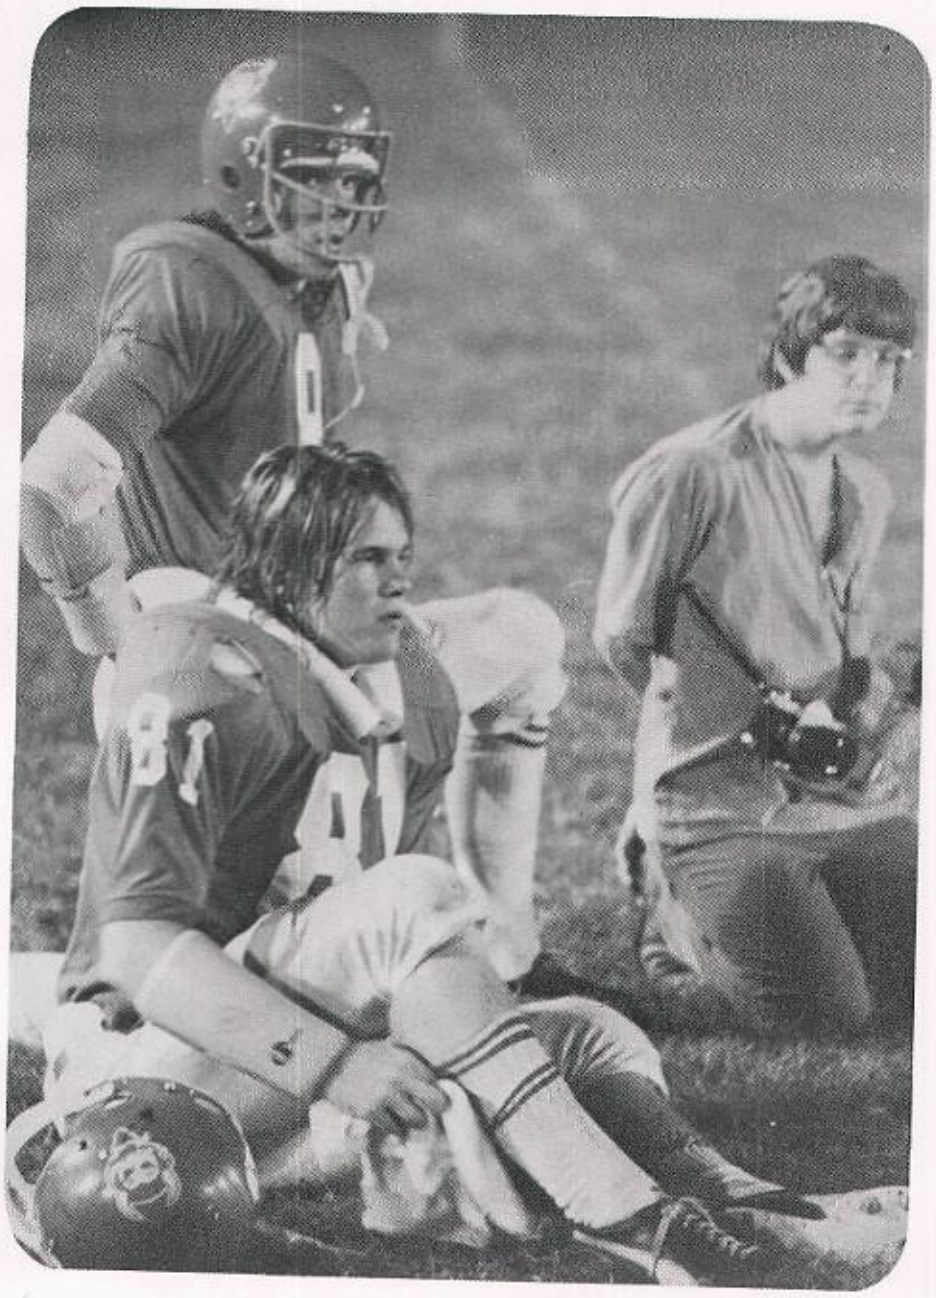


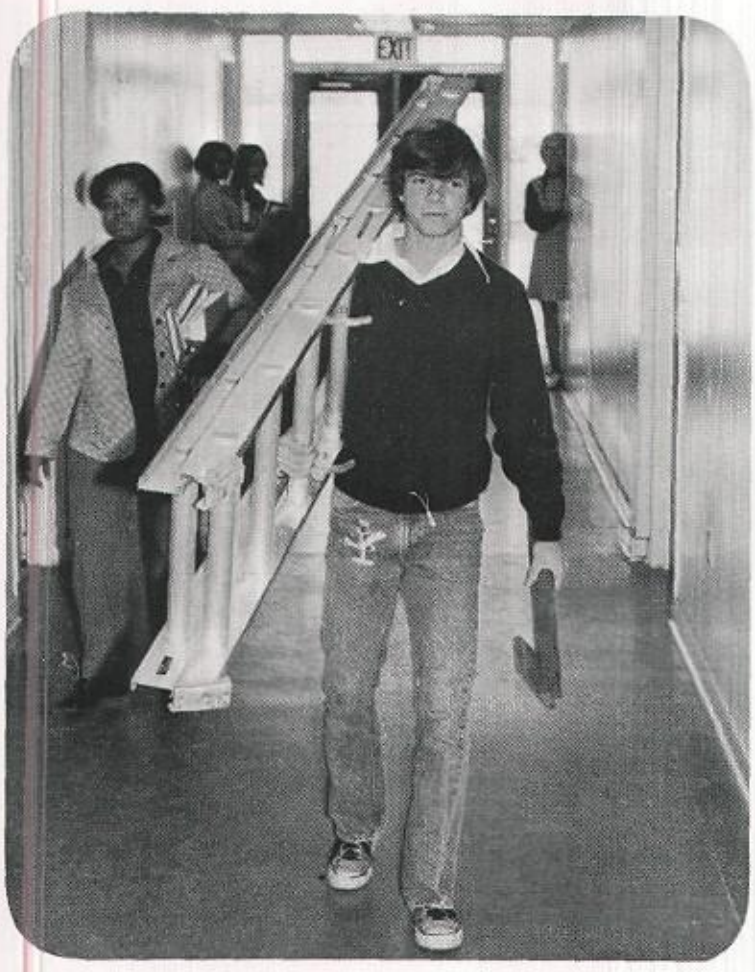
in our own ways–





Unique in purpose,

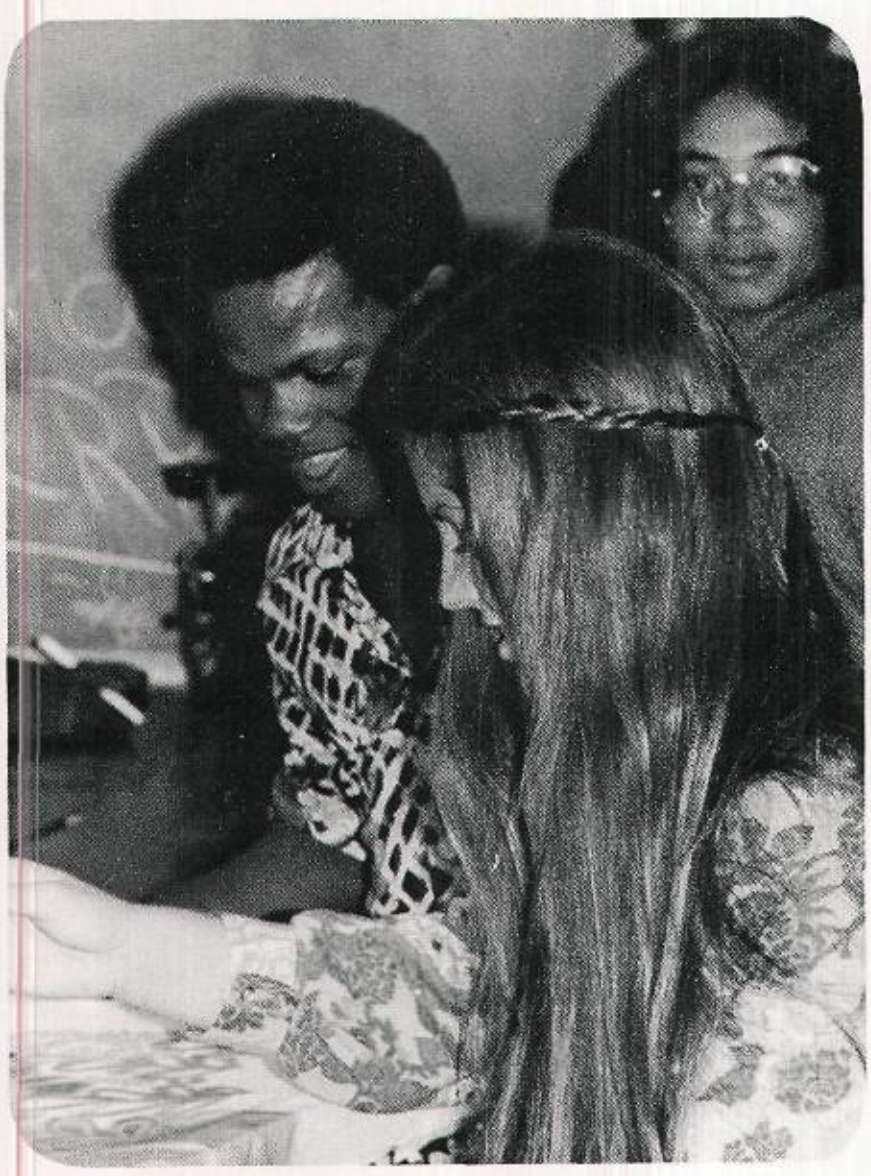




yet the same.

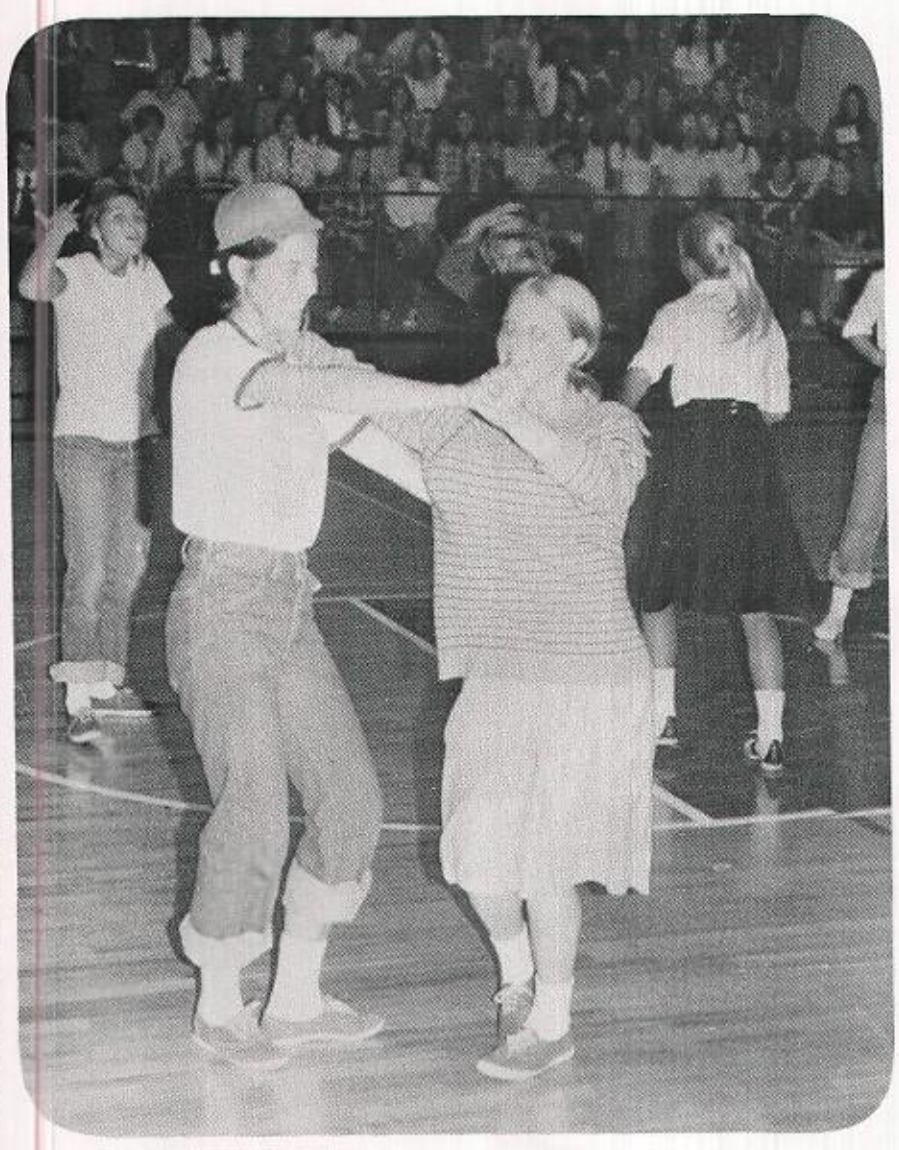
People moving on

choosing what they want in life.



On the Move

with living.



It doesn't take

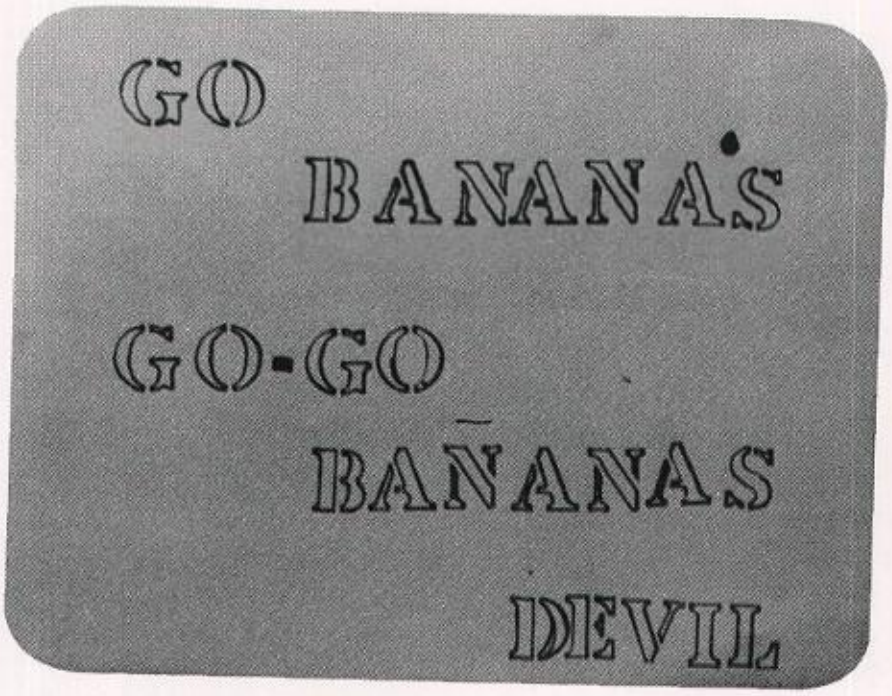
much time

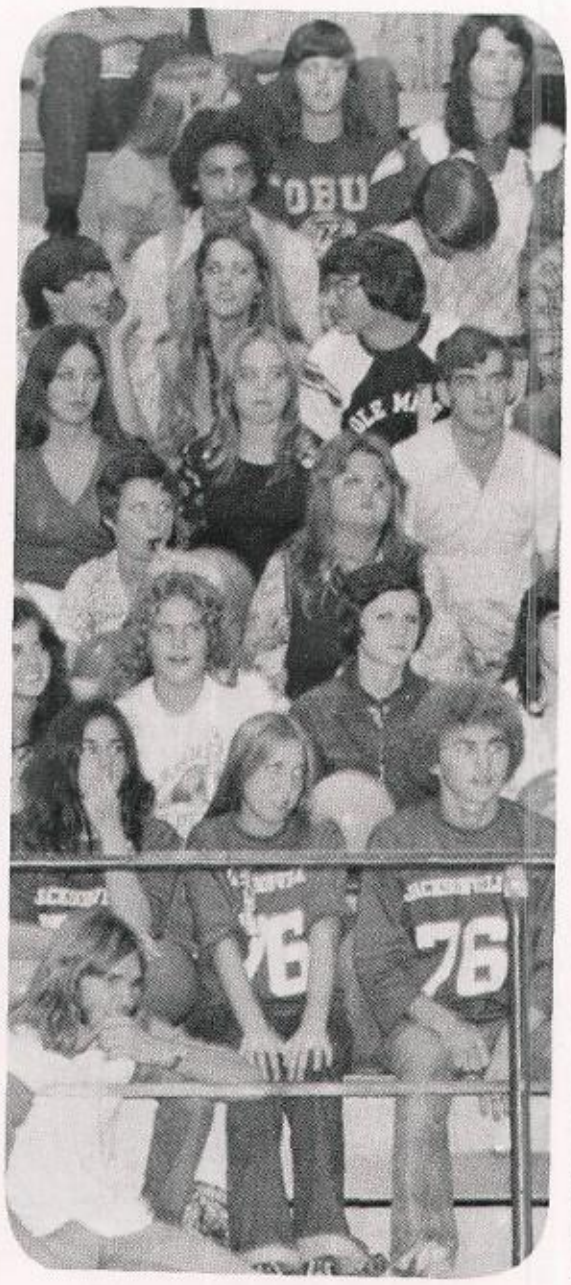
to pass–

minutes into days,

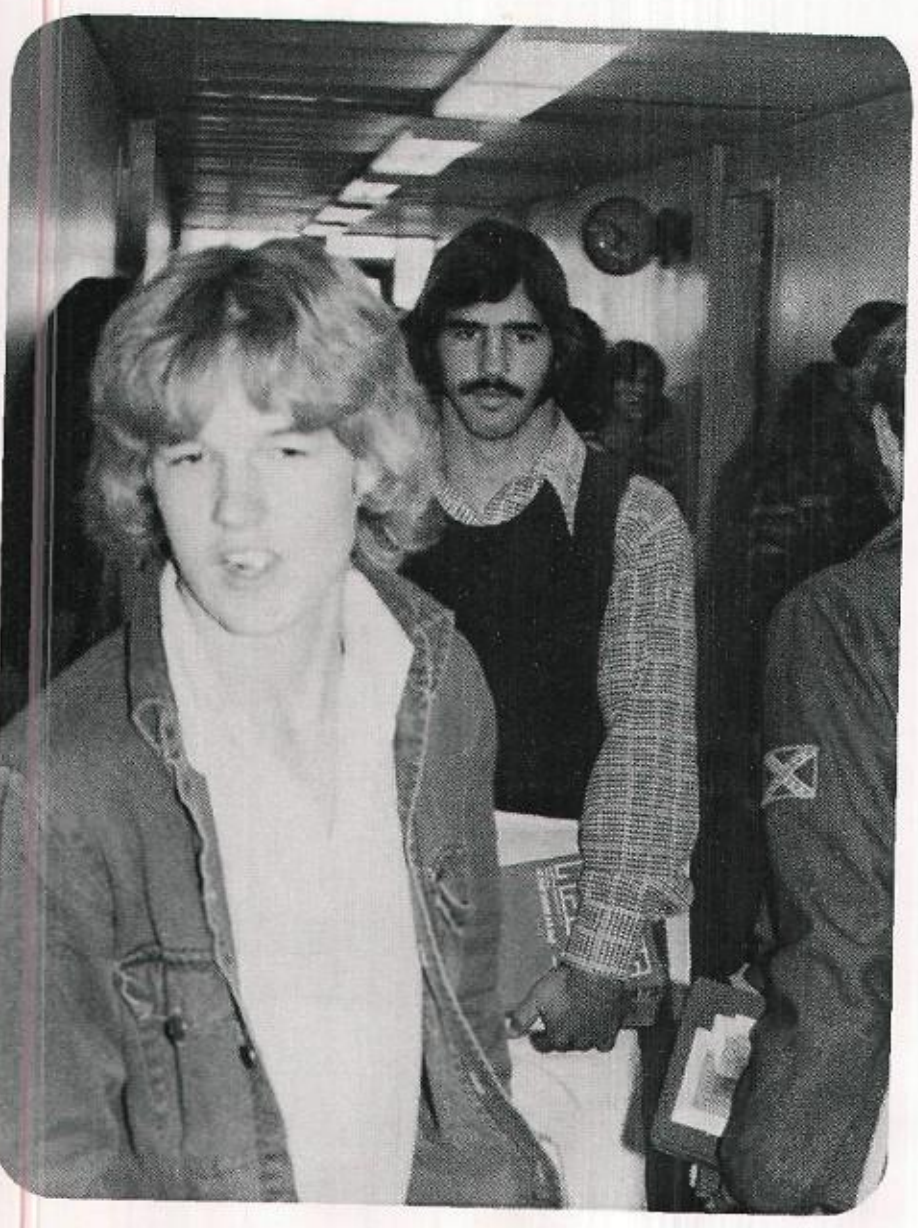
days into months,

turn into years.

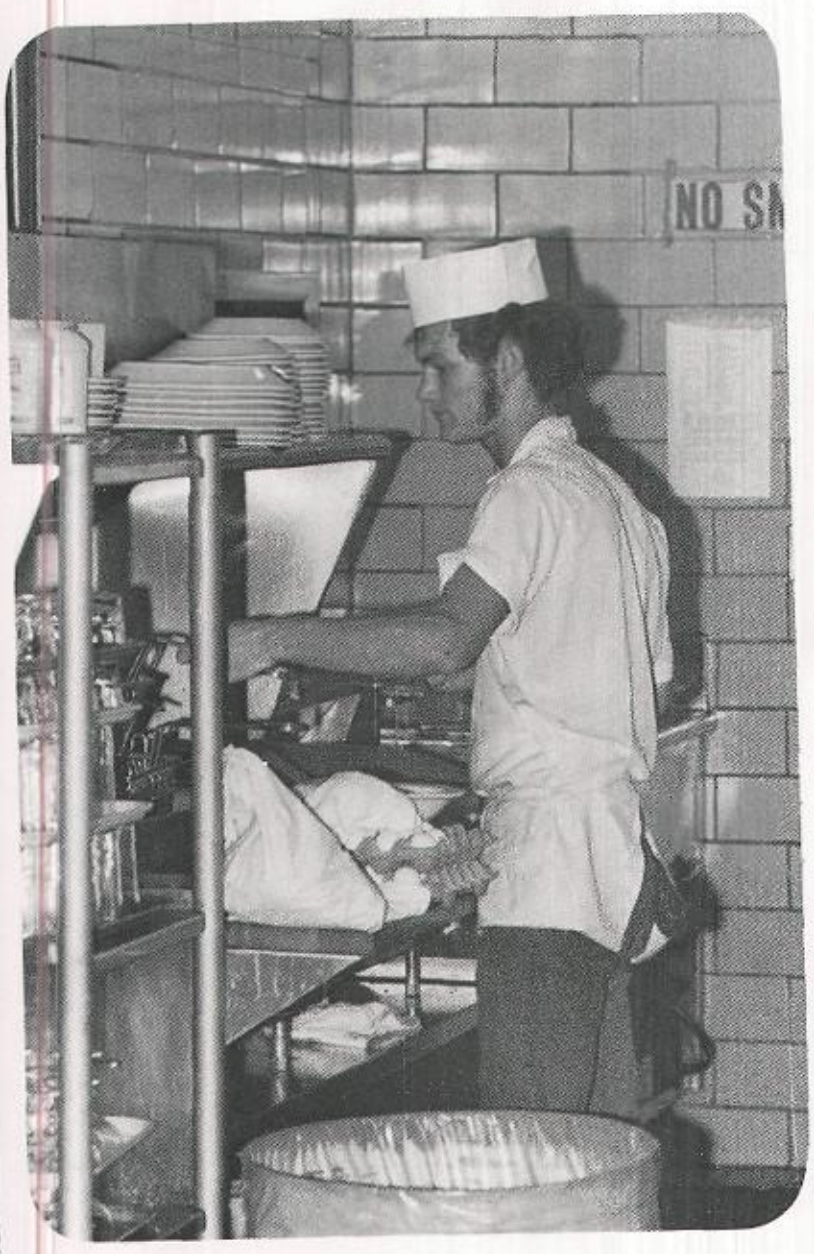




They hurry us by.



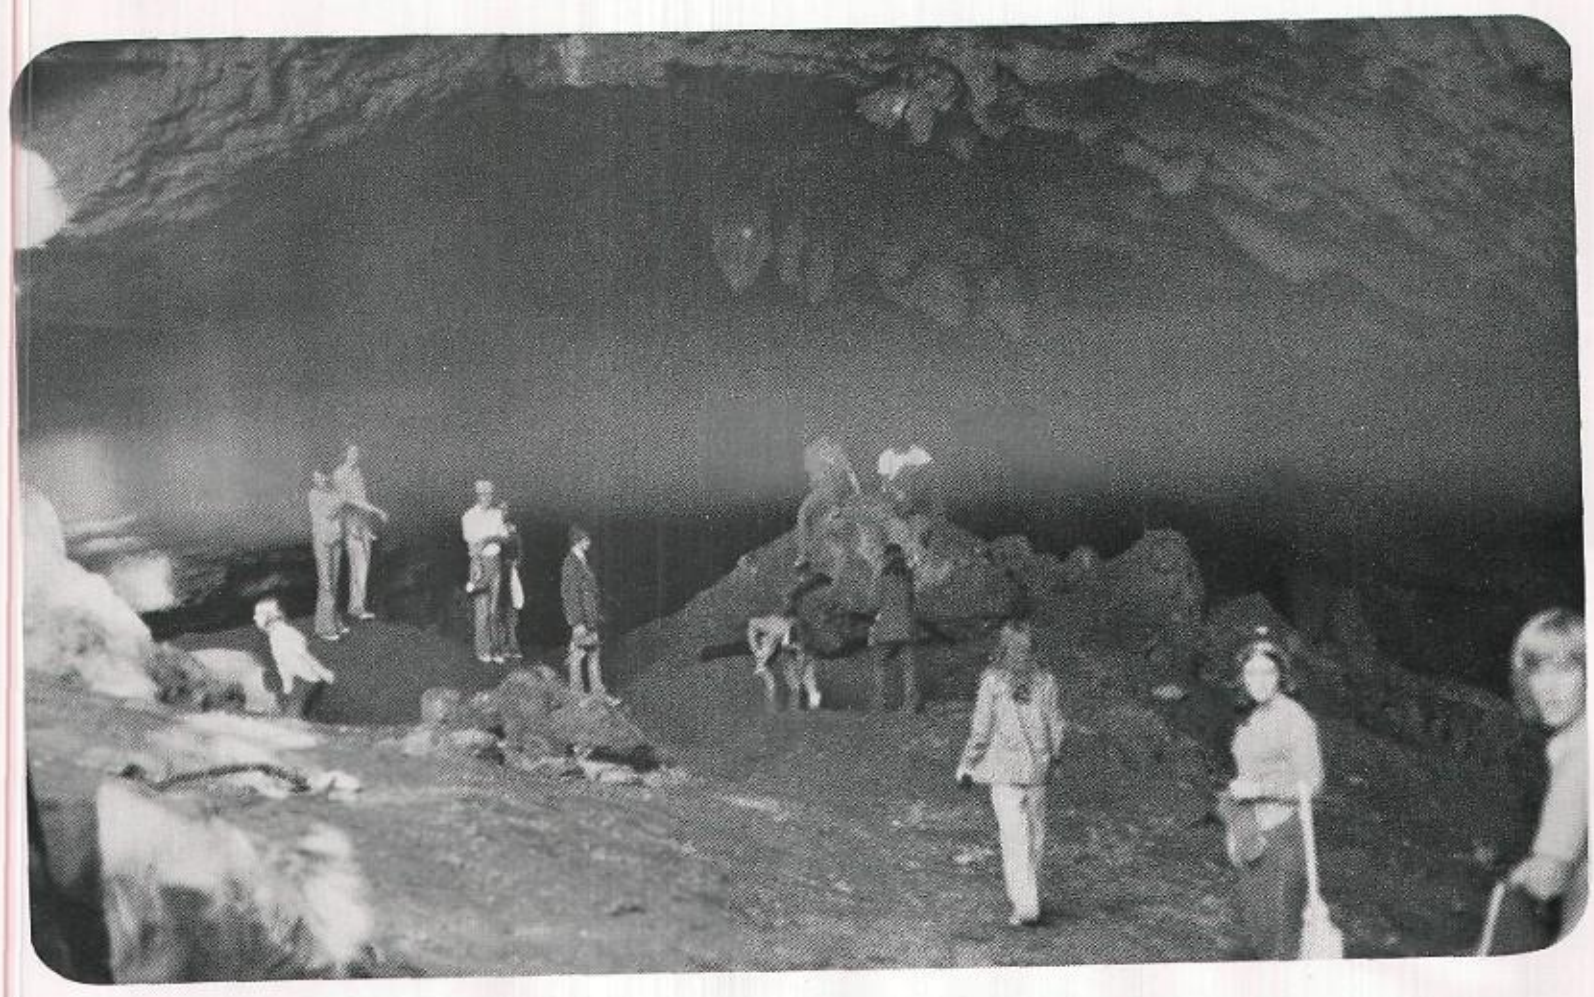
Movement is essential in life's many ways.

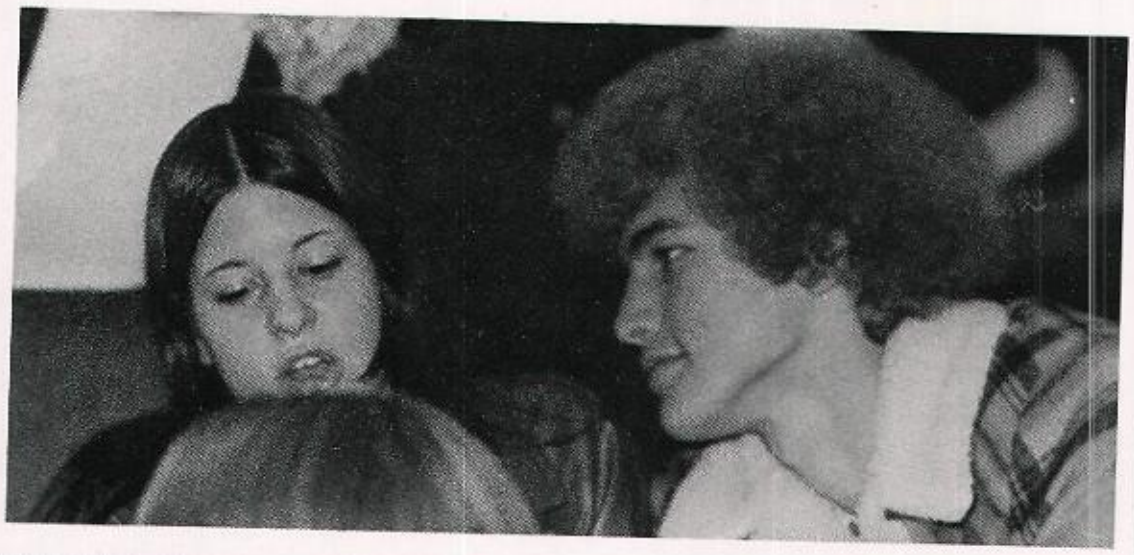


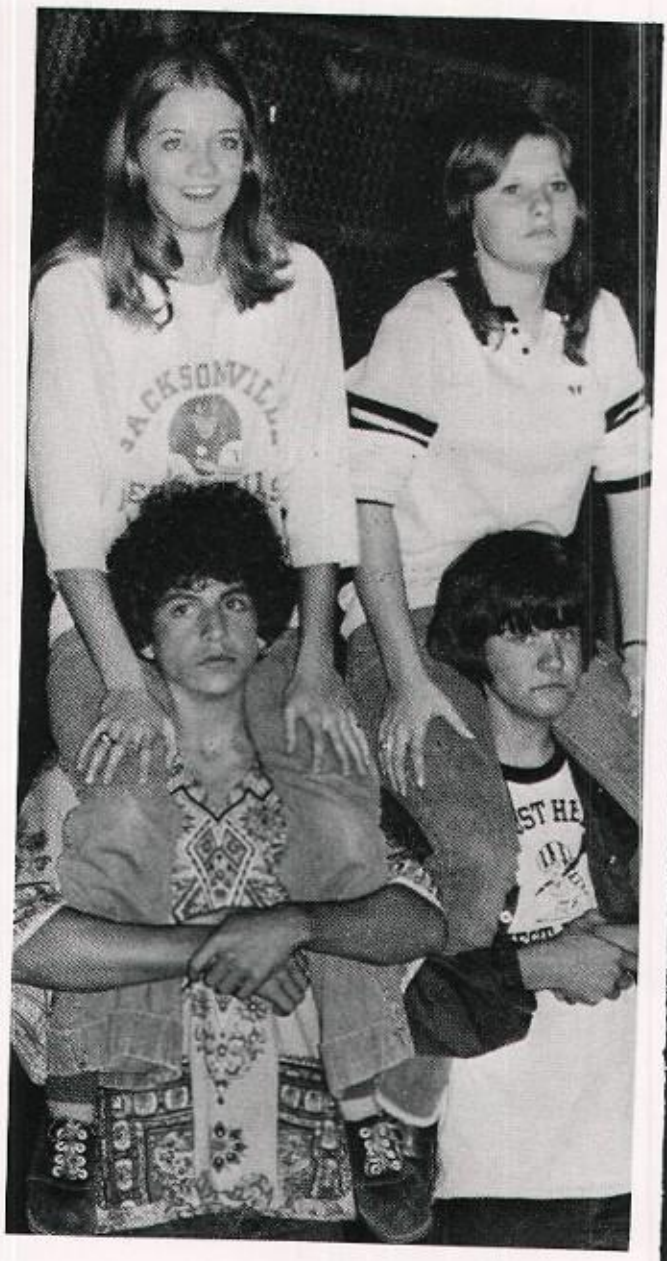
It brings us together

in the strangest

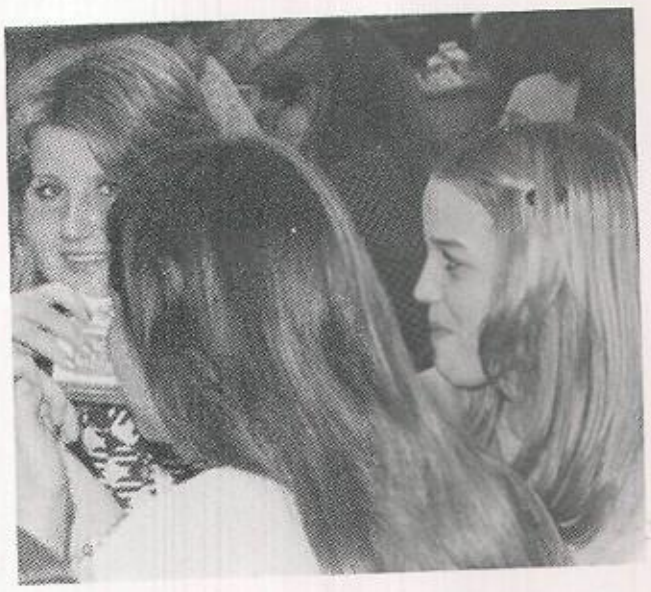
of places, times and days.

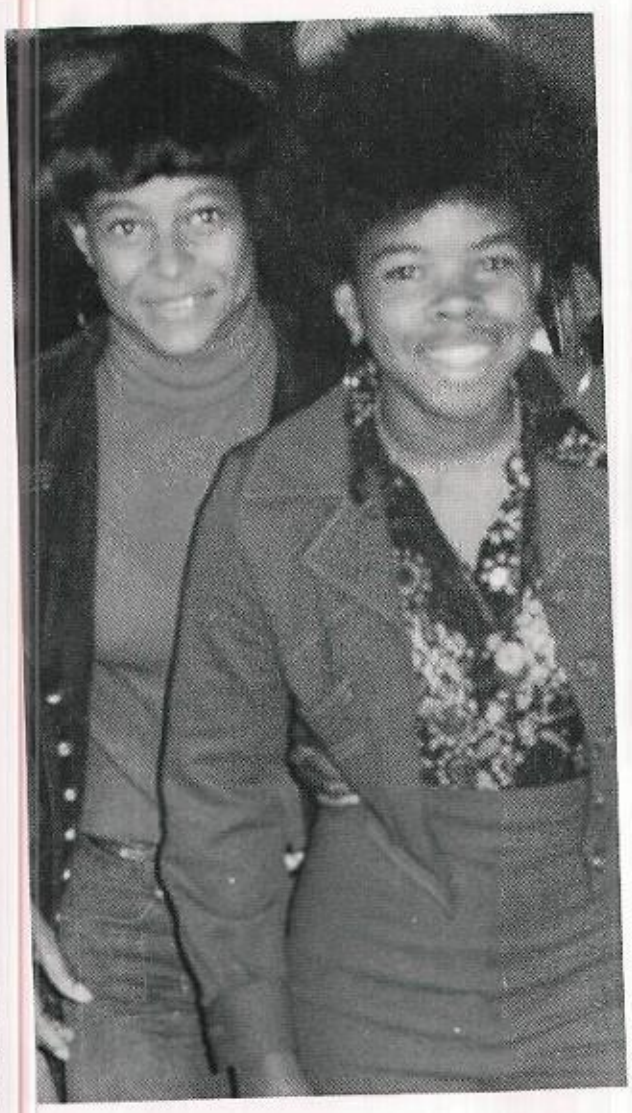


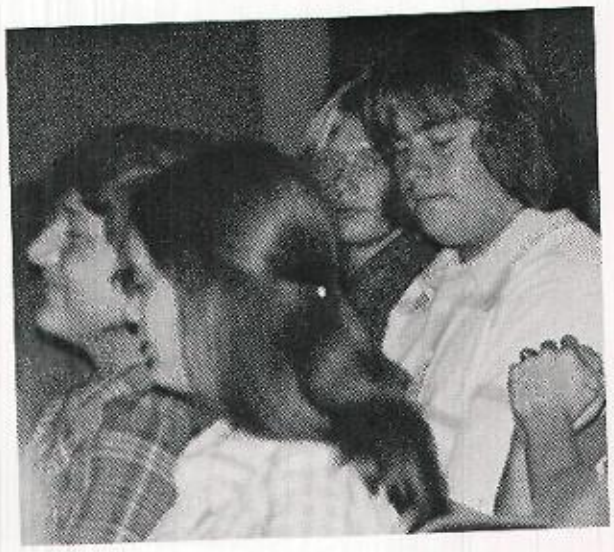




Student Life







As days move on and change into years, students often refer to their high school moments as being the best of times.

Students all have the same purpose in life, to move on and succeed in the future of our world.

Even when times are trying, we want to quit, but we won't because *we* are the future.

It is our days of schooling that give us the motivation and knowledge to succeed in life, but there will be no future if we do not pick ourselves up at times like these, and keep on moving.

We will succeed, because we are constantly searching for new ways to turn and new fields to explore. We are always **on the move.**

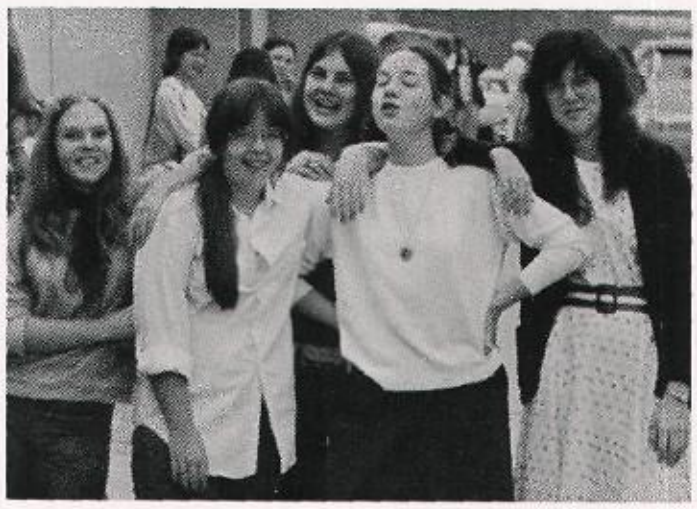
Fifties Day • Fifties Day • Fifties Day • Fifties Day • Fifties Day • Fift

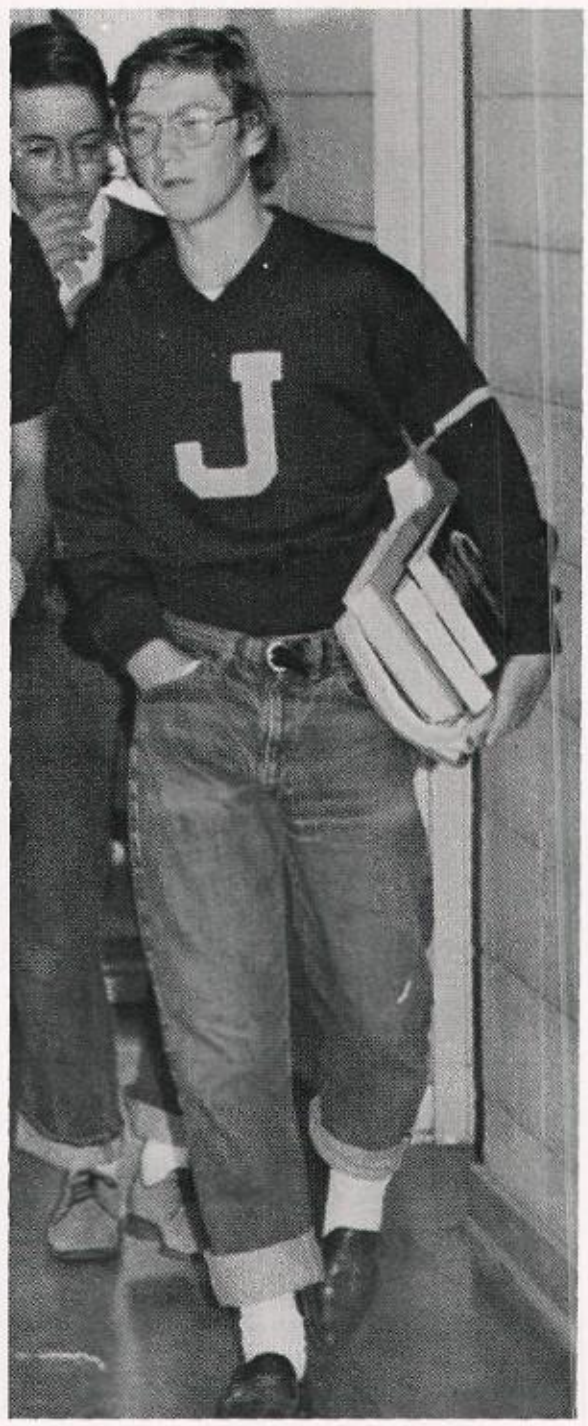
Fifties Day, which was sponsored by the Student Council, was very successful. Its purpose was to boost school spirit for the homecoming game.

On this special Wednesday, kids from all grade levels and teachers dressed up as the high school students of the 1950's did.

Although many students did not dress up, most everybody agreed that it was a good idea and a lot of fun.

Top: **Larry Hollingsworth, Rodney Janssen, Kris Lewonowski, Mike Mosley, Preston Frey, Lee Pridmore.** Center: **Linda Chaney, Melissa Bassinger, Johnnie Anastasi, Sharon Johnston, Cheryl Gonterman.** Left: **Thomas Wortham.** Right: **Chuck Williams.**





What did you think about Fifties Day?

Cheryl Jones—"I thought it was very interesting. I really liked it."

Karen Johnson—"Not enough participation."

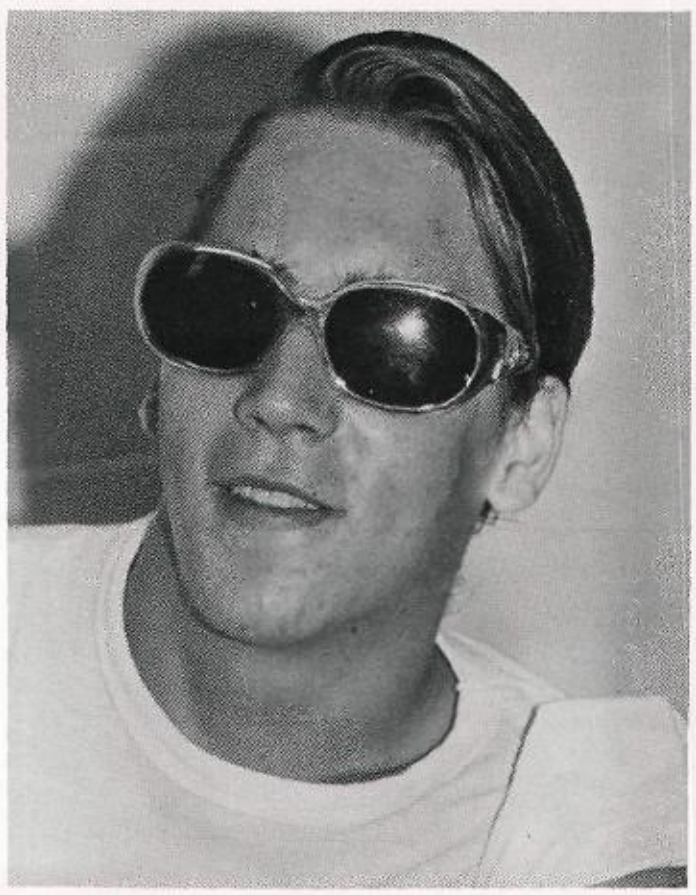
Mrs. Davis—"I thought it was a great idea. It was successful."

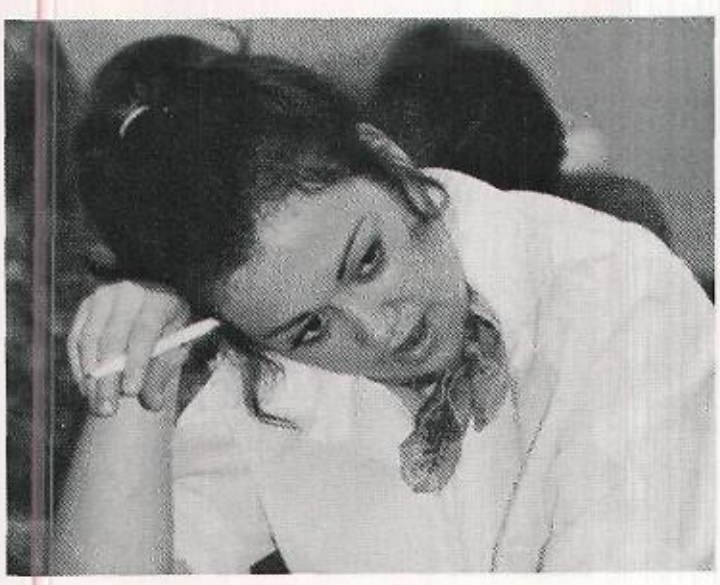
Tammie McRae—"I thought it showed that everybody got together and showed school spirit. It was so much better than last year's."

David Durham—"It was neatyzeet and really keeno, dig?"

Johnny Young—"I think we ought to have another one. Neat, farout, and groovy."

Gina Linne—"It was okay, I guess. If they had another one it would be better."





Pam Gooden—"It was fun. I was really digging on the singing in the cafeteria. A lot of people looked real good. About 80% to 20%."

Mr. Halbrook—"I couldn't tell any difference from any other day. Some of the students were dressed better."

Diane Reel—"It was a lot of fun. Everybody was in a good mood and being crazy that day."

Charlie Crosslin—"It's all right for everybody else, but I guess it's not my number."

Alice Owen—"It was a swell bee-bopping day."

Preston Frey—"I thought it was very inspiring. I just wish that Milton Sneedford would have been here to see it."

Kris Lewonowski—"It was a very moving experience for me. I couldn't move much but it is what moved me the most."

Joe Fudge—"Faroutsville. Some people didn't even have to dress up for it."

Milton Sneedford—"Theoretically speaking, the entire event did not measure up to my intellectual stature."

Larry Hollingsworth—"In my professional opinion, I was very impressed by the outcome of the situation. Basically, the curriculum was referred to as simply Keen. The compositional part of the whole situation was entirely set up for the total enjoyment of my fellow classmates."

Christmas Parade • Christmas Parade • Christmas Parade • Chri

The Jacksonville Christmas Parade had many ingredients. There were marching bands from at least five different schools, beauty queens, multi-colored floats, cheerleaders, drill teams, and various civic groups participating.

They all joined together on the afternoon of December 3, 1974, in front of Northside Jr. High School to begin their mile walk down Main Street.

The crowd was large and very enthusiastic, with the children all waiting to see the main attraction, Santa Claus.

What was your opinion of the Christmas Parade?

Diane Reel—"A lot of peple put a lot of work into it. I carried the banner that said Jr. Auxiliary. It was windy and I got tired. It was a long walk."

Susan Black—"We were all pretty cold. My hat blew off and I couldn't stop marching to get it. It got run over. I was scared to death, but I enjoyed marching in the parade."

Marie Koops—"I was kind of excited because it got my spirit up for Christmas."

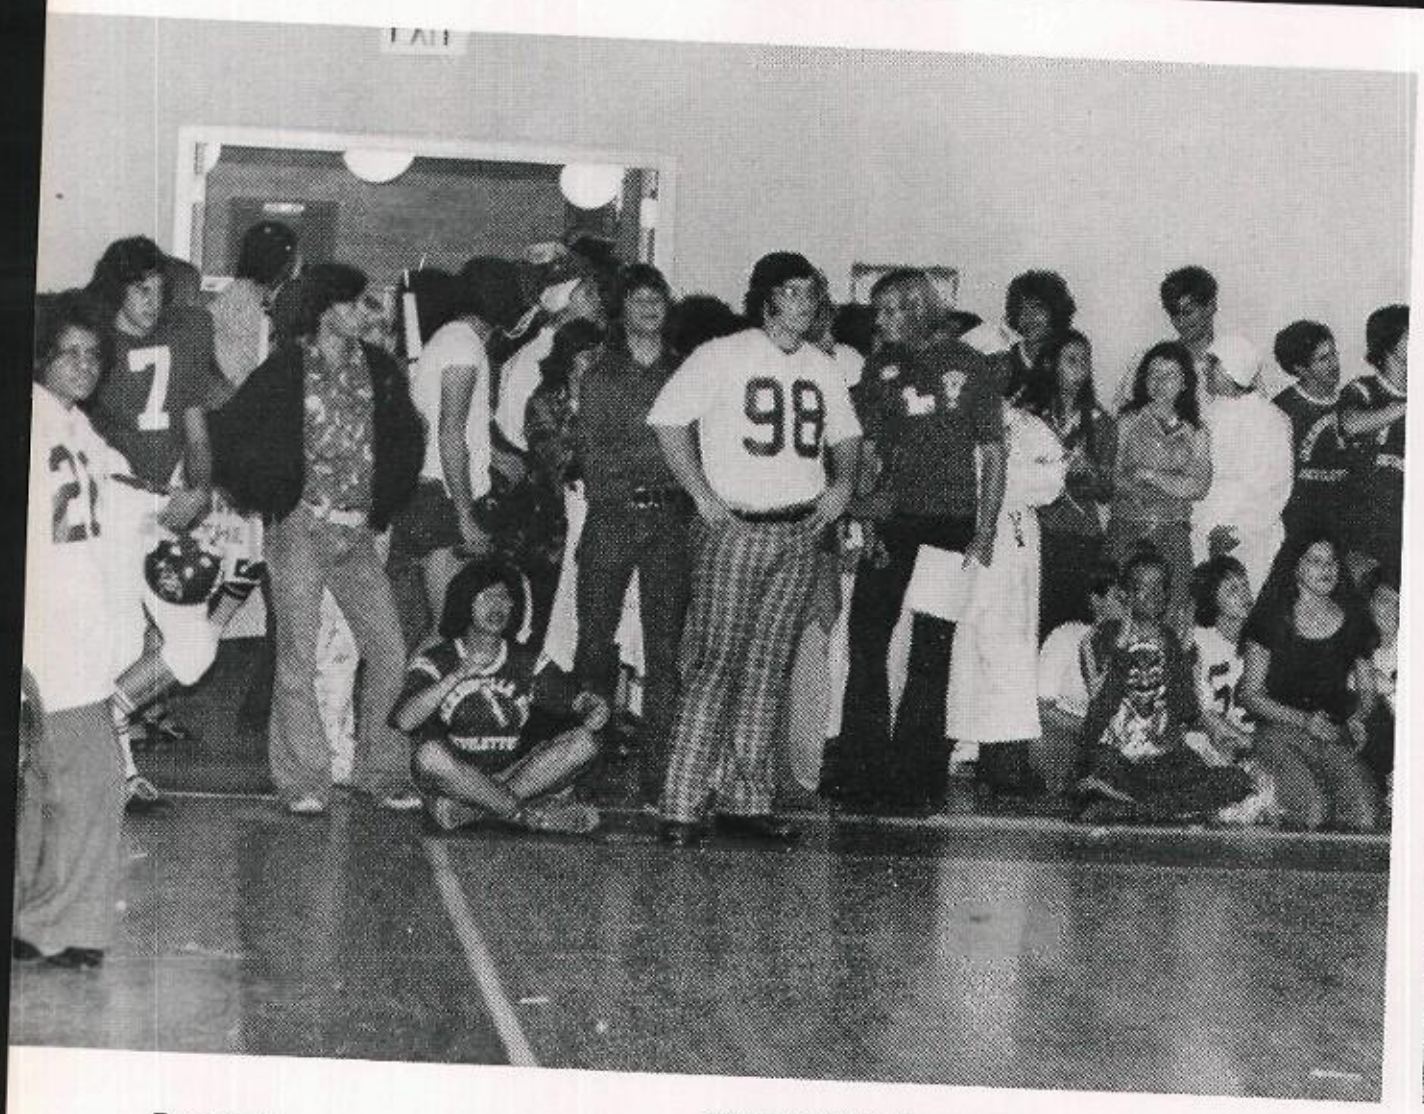
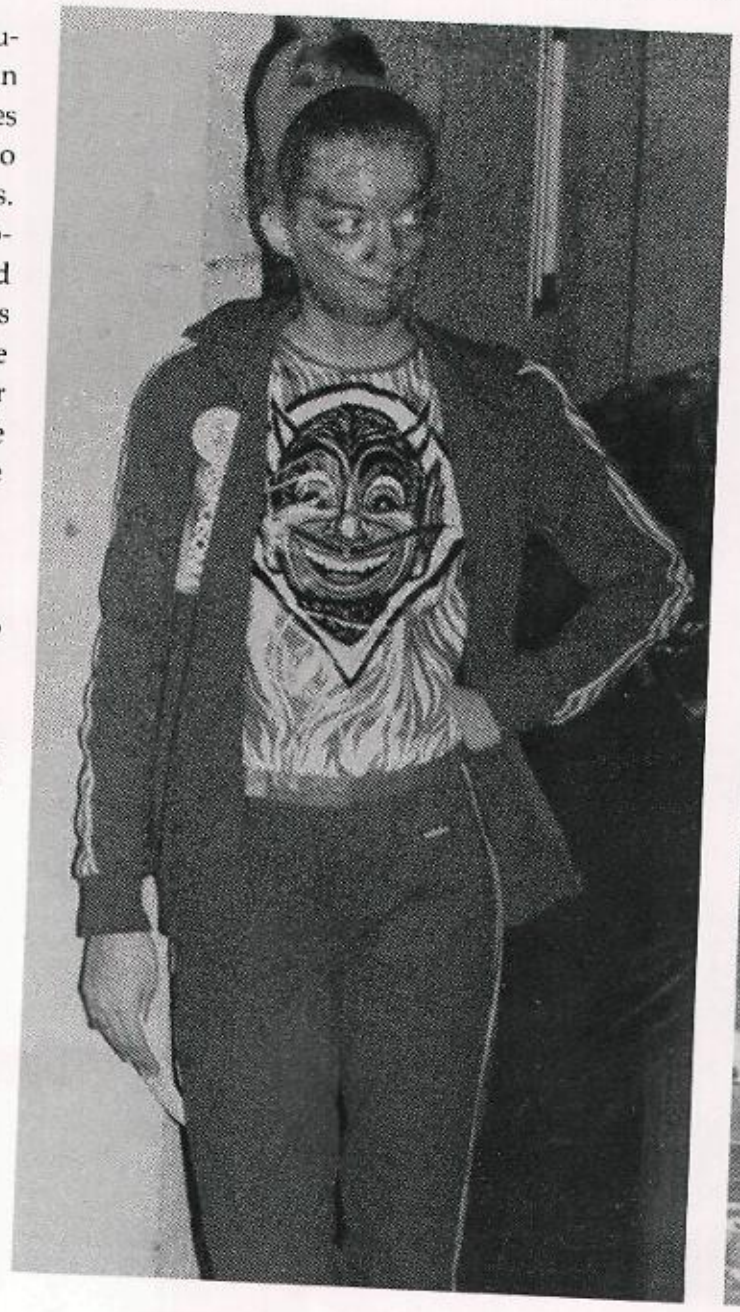
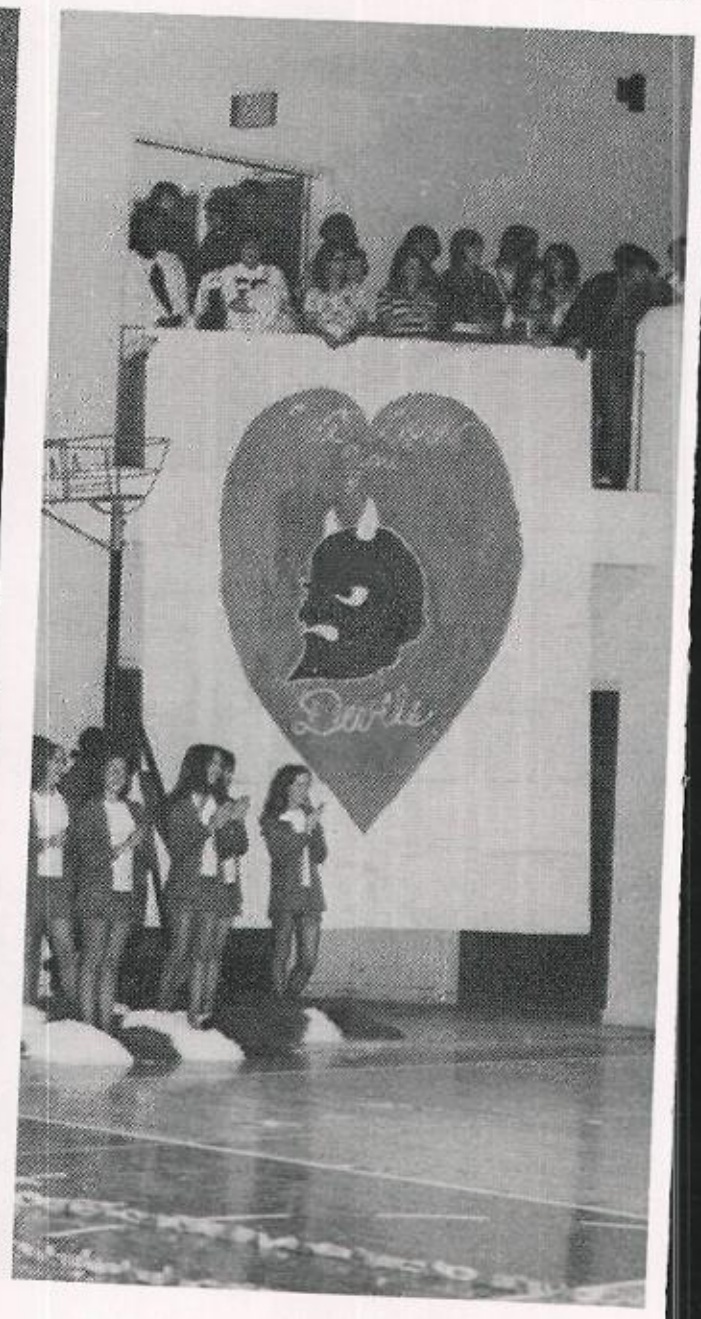
DEVIL
POWER



Pep Rallies were a time for the students to join their spirit together in cheering for their team. Pep Rallies were also a time for each class to try to yell louder than the other two classes. At a JHS pep rally, many things happened. The cheerleaders performed various skits and cheers; the Devilettes performed; the Band played; and the students yelled for their team and their class. Pep Rallies were just one of the many ways that JHS kept **on the move.**





What did you think about our Pep Rallies?

Karen Clark—"I thought at the beginning of the year they were great, but now there is not any spirit left in them."

Mark Ashenburger—"I liked the football ones but I didn't like the basketball ones. I liked football, but I didn't like basketball. I skipped the basketball pep rallies."

Laurie McElderry—"They would be all right if the sophomore class and junior boys had spirit."

Keith Jones—"I don't see any need for them. I'd rather be in class."

Cathy Watts—"If more people would get into them, they would be better."

Jackie Wainwright—"I love them."

What did you enjoy most about our pep rallies?

Steve Fuller—"I feel we had more school spirit than class spirit. It was the other way around the other years."

David Oldham—"They were longer this year."

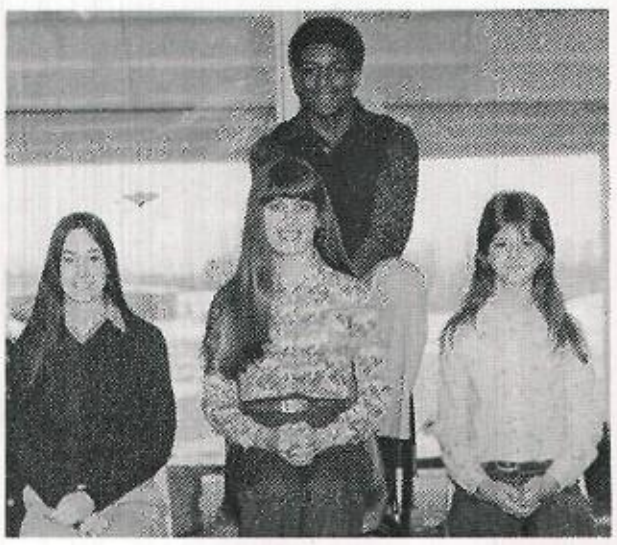
Debbie Ray—"I thought they were better this year because I was a junior."

Leslie Moilanen—"Making eyes at Matt across the gym."

Mrs. Lammers—"I enjoyed them when they had spirit."

Honors

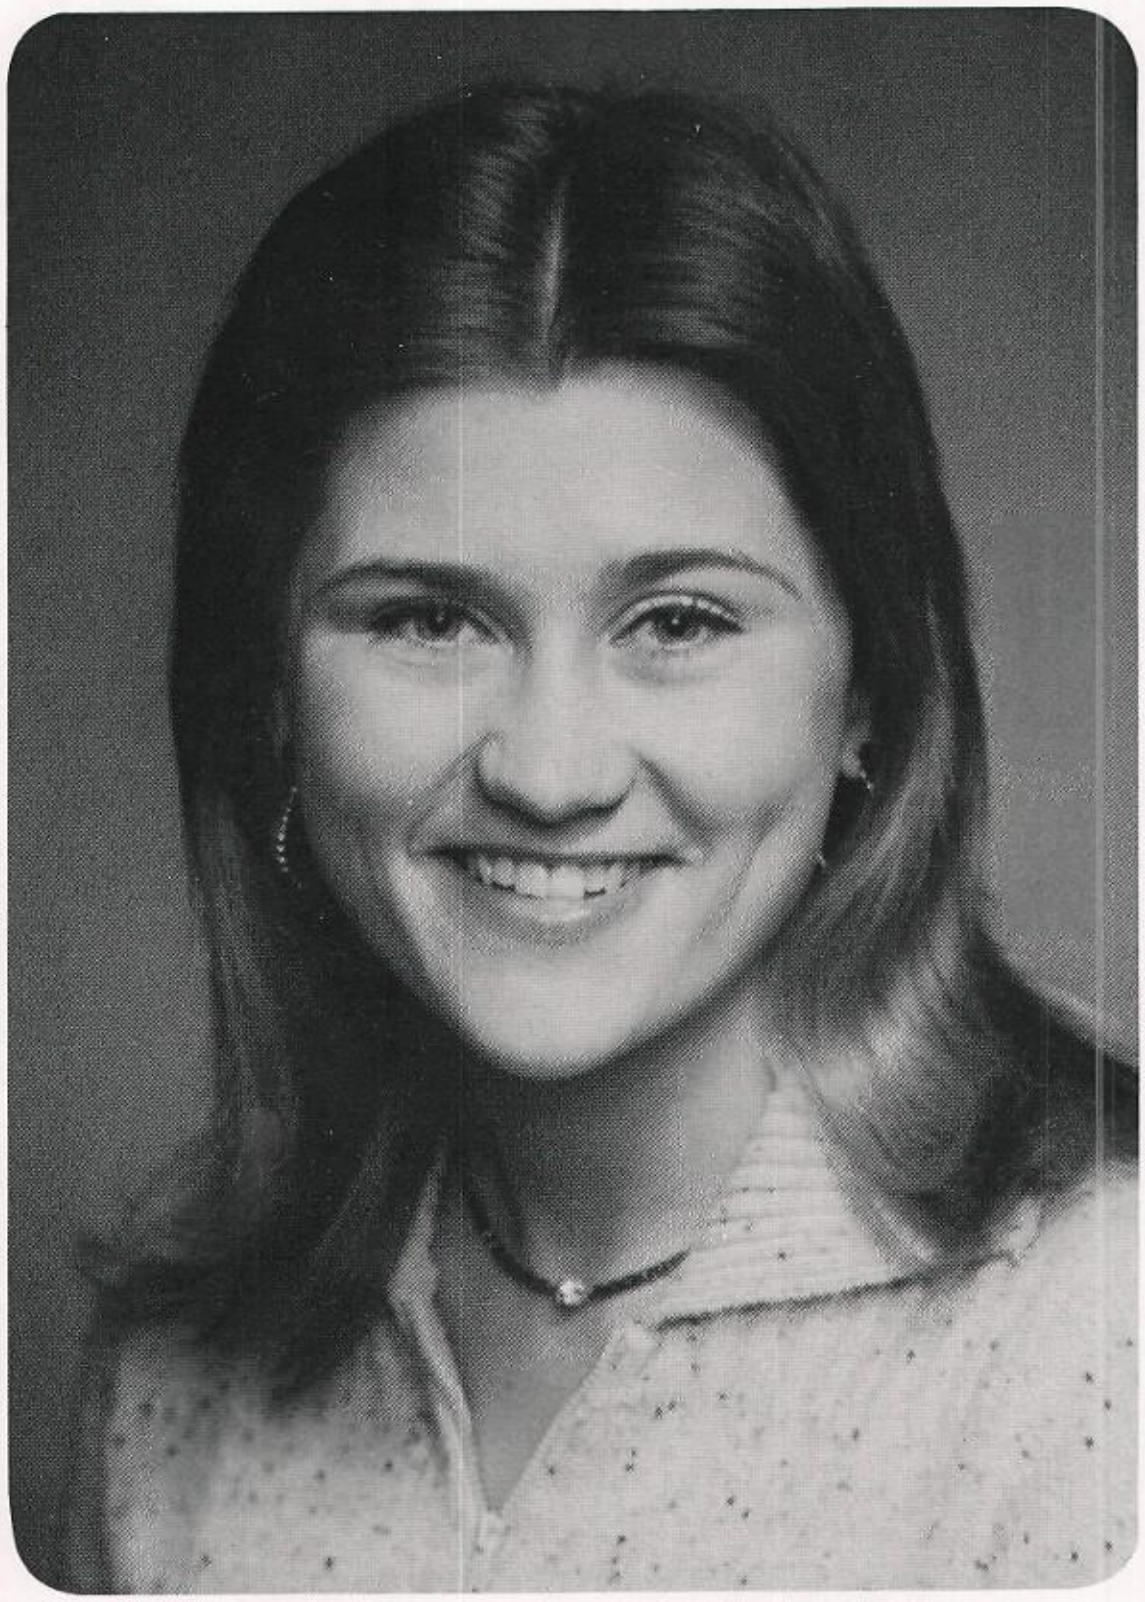
The distribution of various honors in high school is a part of school life. Most students who receive these awards were outstanding in scholastics, athletics and popularity.
These students played an active part in keeping JHS **on the move.**



Miss JHS–Lana Edmondson

The selection of Mr. and Miss JHS is made each year by the members of the senior class. These two people are chosen because of their popularity, personality and involvement in school activities. This year the runners-up are also pictured with the winners.

This year's Miss JHS, **Lana Edmondson,** is co-captain of the cheerleaders, a Student Council senator and a member of FTA. She is also a Key Club favorite and was chosen by the seniors to appear in Who's Who. Another major honor for **Lana** was her selection as the 1974 Homecoming Queen.

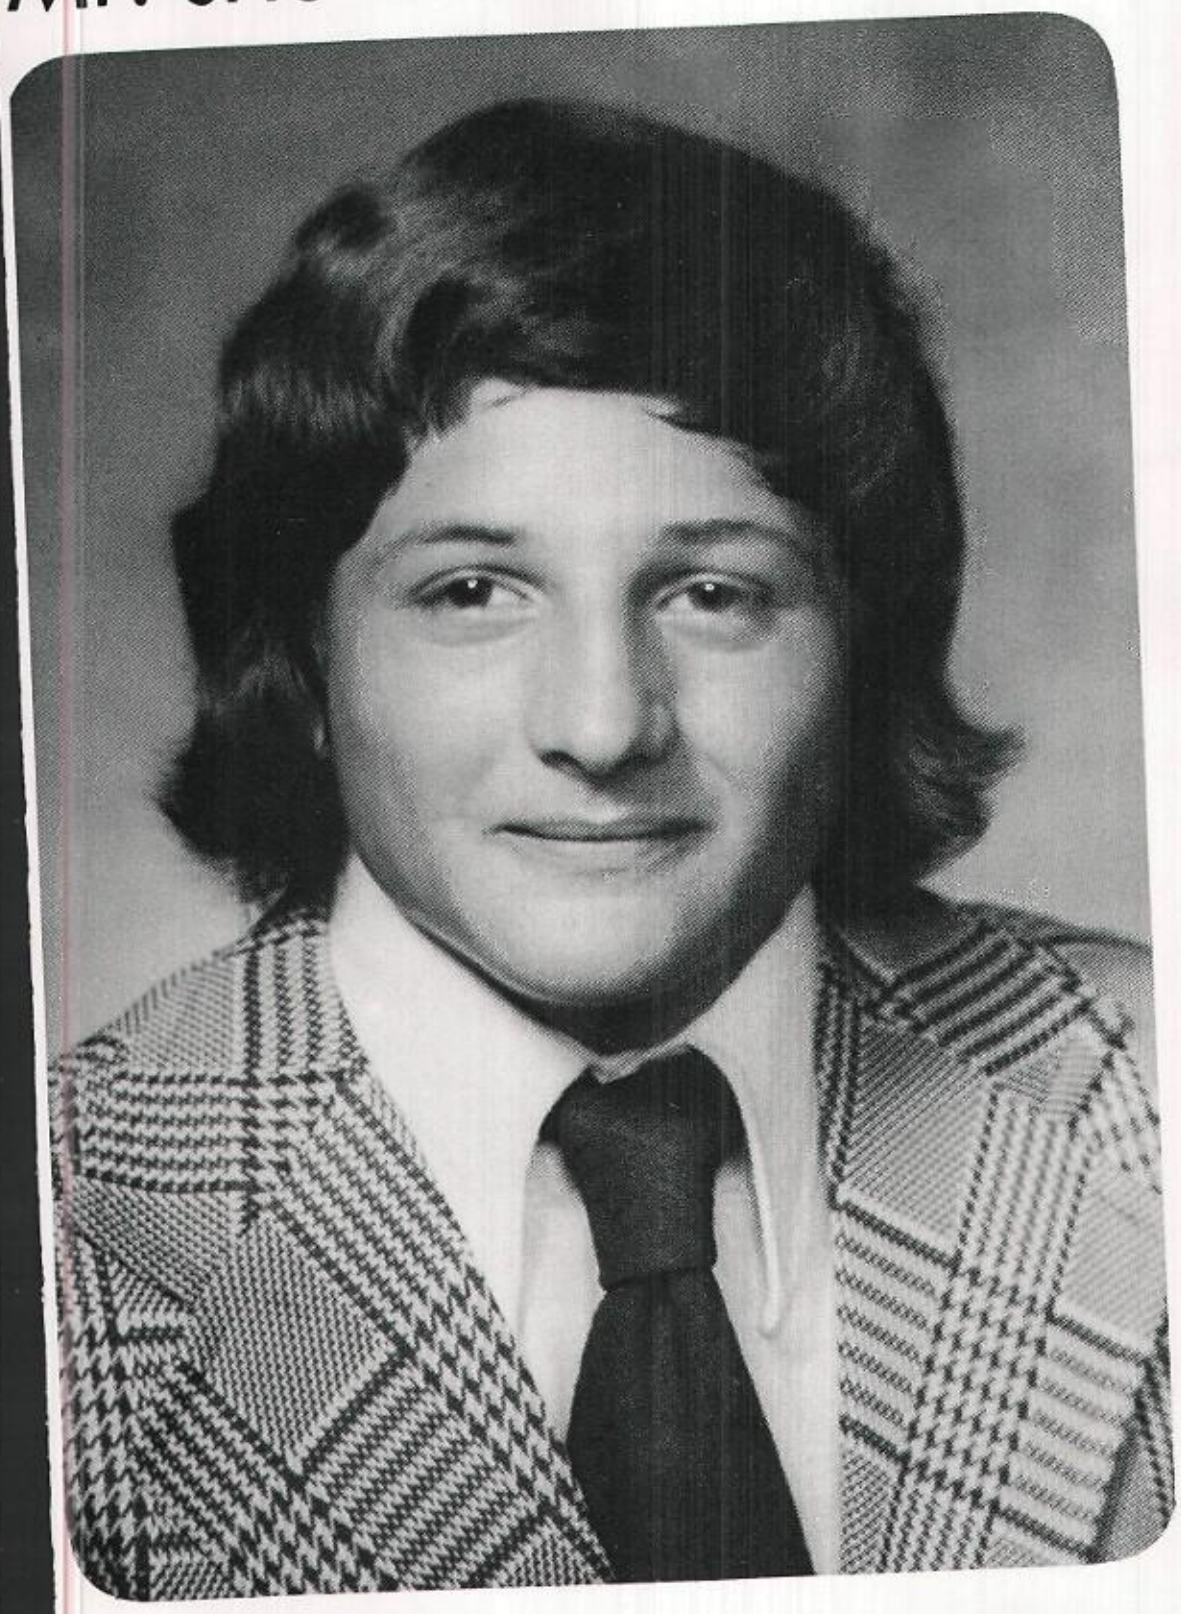


Runners-up

Marcia Gray

Cynthia Storay

Mr. JHS–Louis Brolo



This year's Mr. JHS, **Louis Brolo,** is treasurer of the senior class, and president of ICT. He is also a member of Key Club and was a delegate to Boys' State. **Louis** was also selected by the Devilettes as their Beau for 1974-75. Another honor voted him by the senior class was his selection to Who's Who.

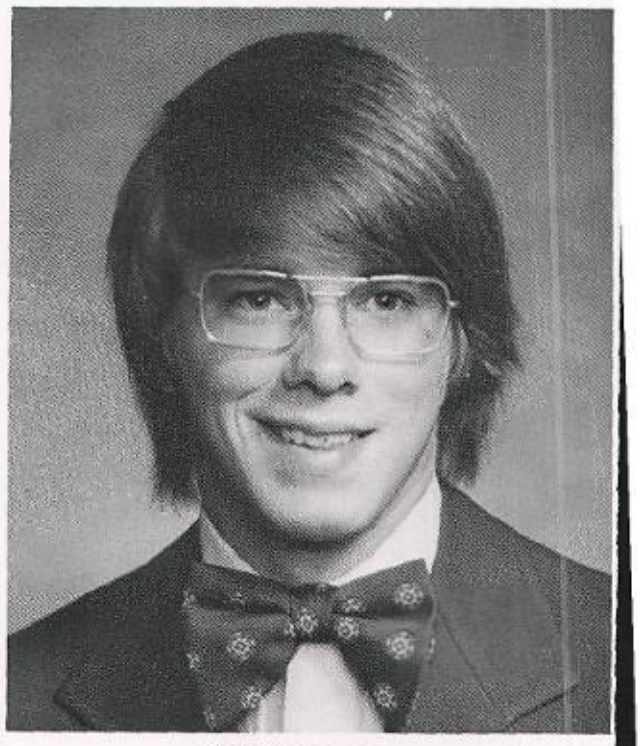
Faculty announces selection of outstanding seniors



Ken Bohannon

Each year the JHS faculty selects the outstanding seniors. This year there were twelve selected. The teachers select these students on the basis of scholarship, leadership and participation in all aspects of school life. Faculty members were interviewed, and the following quotations were made by them.

Ken Bohannon is president of Key Club, active in choir and band, a member of Beta Club, and he attended Boys' State." ... a clean-cut, honest, open, Christian person ... his character is outstanding ... an excellent attitude."

Terri Bridges is president of the Senior Class and active in Student Council, Beta Club and choir. She attended Girls' State. "... a conscientious student, an unselfish girl ... interested in doing well ... one of the best all-around students I've ever seen."

Ricky Burks is president of the Student Body, and a member of Key Club, Beta Club and FTA. He also was a delegate to Boys' State. "A typical boy—well-liked ... goes far beyond what his duties call for ... an excellent leader ... thoughtful of all his classmates."

Eddie Creer is active in choir and band, and was chosen for All-Region Band. He is a member of Key Club and Beta Club and attended Boys' State. "... a well-read, intelligent student ... uninhibited, sensitive about other people's feelings ... an outstanding musician."

Marcia Gray is a member of Beta Club, Student Council, Math Club, a cheerleader and was a delegate to Girls' State. She is vice president of the Senior Class. "A very intelligent girl, adept at expressing herself ... frequently shows mature judgment in class discussions ... reliable and industrious."

Dan Hampton has been outstanding in athletics. He participated in track and football, and is the second player in the history of JHS to receive a football scholarship to the University of Arkansas. He is also a member of VICA Club. "Dan is a very cooperative student . . . always has a high respect for authority . . . a good person . . . a credit to JHS."

Yulanda Jackson is secretary of the senior class, captain of the cheerleaders, and active in Student Council. She was a delegate to Girls' State. ". . . has proved her leadership ability, reliable, friendly . . . always has a hello for everyone . . . does anything requested."

Debbie Romontio is co-captain of the Devilettes, a member of Beta Club, and she was a delegate to Girls' State. She was selected Jacksonville Jr. Miss for 1974. "A vivacious, active girl . . . interested in everything that goes on around her . . . a pretty, little walking encyclopedia."

Mike Seay is editor of the Red Devil annual, treasurer of the Student Council, a member of Key Club and Beta Club. He attended Boys' State. "One of the most efficient and dependable workers I've ever seen . . . if you tell him you need something, you can be sure it will be done . . . well-mannered, subtle in wit and humor, level-headed."

Lori Stroud is a member of choir and band. She is a member of Beta Club and was chosen this year as an outstanding Spanish student. "The kind of student who puts in extra time on classwork . . . outgoing, bubbly, always cheerful . . . the kind of student you can depend on . . . an excellent musician."

Ray Tademy is a member of Beta Club and Key Club, and was a delegate to Boys' State. He is a starting player on the Red Devil basketball team. "A creative thinker . . . interested in the problems of human beings . . . versatile, good athlete, a delightful sense of humor."

Sheila Williams has been a member of Devilettes for three years. She is also a member of the Advanced Girls' Choir. "Has a reserved personality, yet she is outstanding . . . quiet and efficient and always there when something needs to be done . . . pleasant and interested."

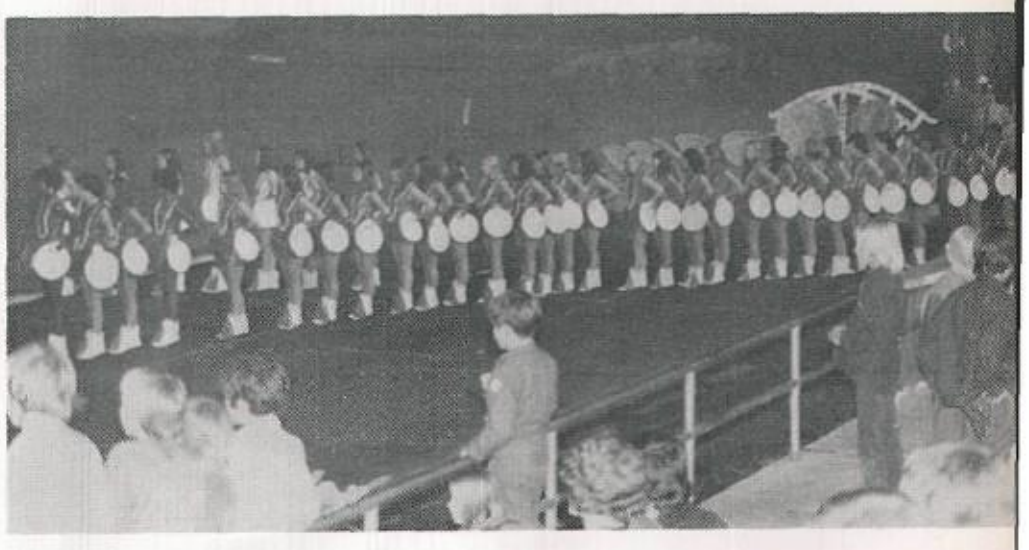
Outstanding groups of students are members of JHS as well as outstanding individuals. Some of them are pictured here.



Lana Edmondson crowned 1974-75 Homecoming Queen

The 1974-75 homecoming court was presented on November 1, 1974, at the football game. This was the grand finale of a week of activities preparing for homecoming. Some of these activities were the 50's day, the mini parade, the pep rally, and the homecoming parade in Jacksonville. Lana Edmondson, a senior who is involved in cheerleading, FTA, and Drama Club at JHS, was crowned Queen before the game with the Russelville Cyclones. Her statement about being Queen was, "You know how when you're a little girl and you dream about something like that but you know it will never happen? I felt like a little girl, and I just felt like I was dreaming."

The game ended in a victory for the Red Devils. The week of activities was highlighted by the dance in the school cafeteria, which was decorated like Hades. Music was presented by Gibralter.

Seniors:

Sheila Williams—"Well since this is my senior year I really wanted to have the full enjoyment of it, and being in homecoming royalty is one of the most exciting things to happen to someone in their last year. I couldn't believe it when they told me, because I wasn't expecting it. But that night was the greatest night of the whole year."

Yulanda Jackson—"At first I didn't hear my name. I was in the art room. When I came out everyone started congratulating me. Finally I was told I was a senior maid."

Cindy Ptak—"That was the most wonderful thing that ever happened to me in all my high school years . . . I almost fell off the bridge."

Lana Edmondson—Queen–"It made me feel so good to think that all the guys that have been my friends for years chose me out of all the girls . . . to be their queen."

Brenda Dorbins—Maid of Honor—"This year of 1974-75 has been a really great year for me, especially when the varsity football team nominated me to be Maid of Honor. I was so excited and happy because I've never been in homecoming royalty before."

Juniors:

Mary Boyd—"So many things centered around homecoming this year, and when I found out I was in royalty it made the whole week perfect. It was a day I'll always remember."

Yalonda Jones—"I just couldn't believe it, I didn't think I'd ever be in Homecoming again after junior high."

Tammie McRae—"I was glad to know that I had enough friends to choose me to represent them in homecoming . . . I just wanted to help make it a good homecoming."

Sophomores:

Sandra Edmondson—"I was just tickled to be a sophomore maid. I never expected it and I felt important being in the high school homecoming."

Dee Dee Rutledge—not available for quote

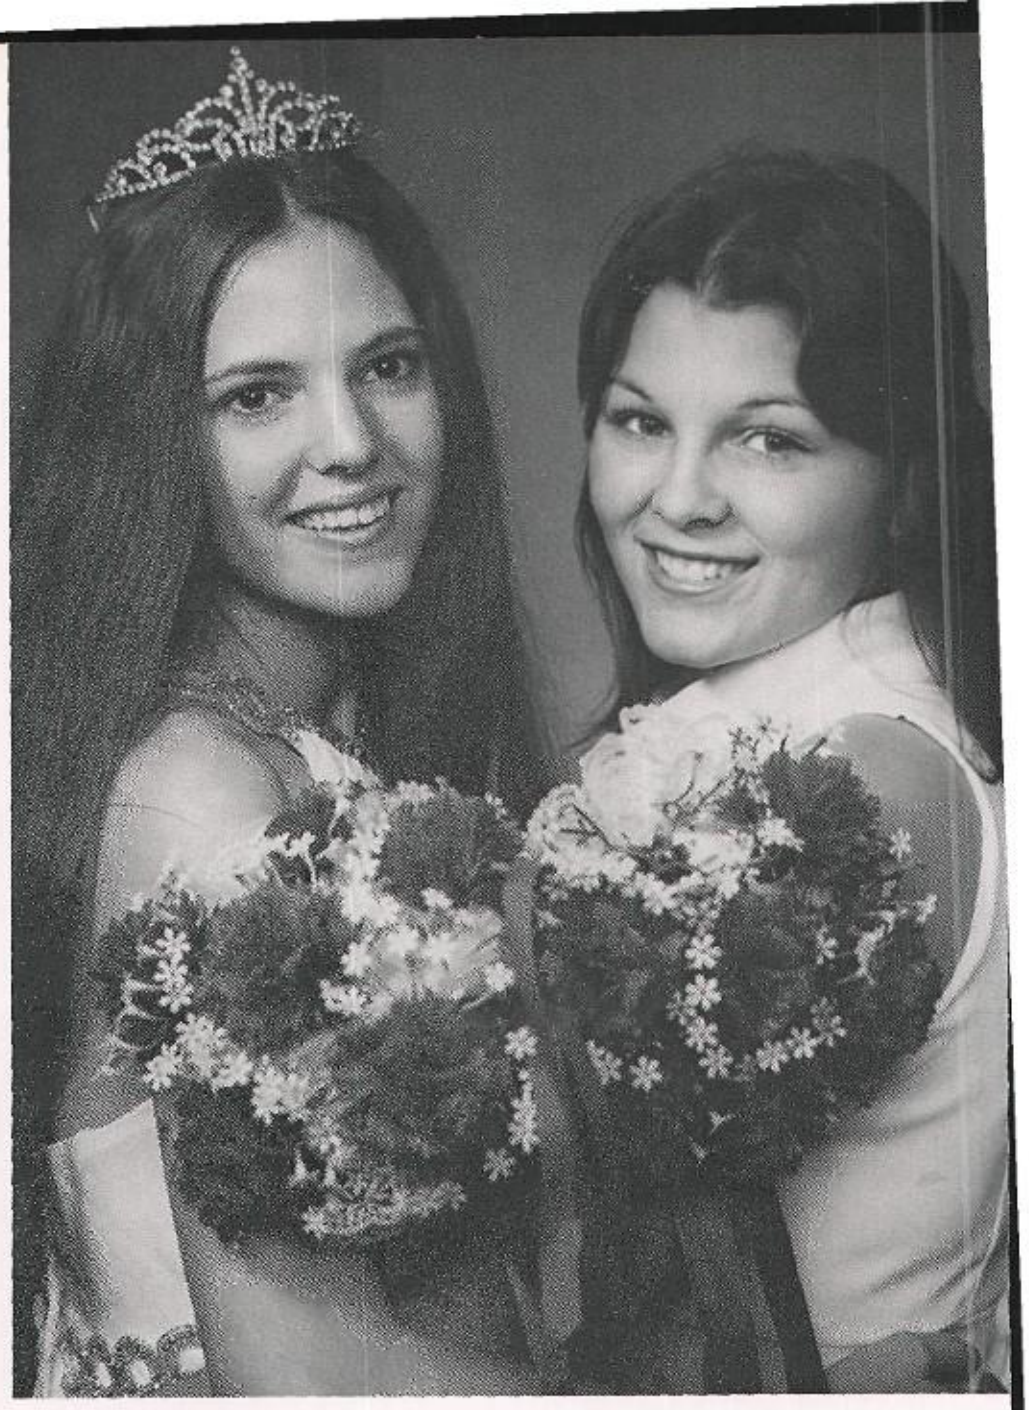
Genise Niles—"I was so happy to be one of the Sophomore maids. I felt shaky and scared."

Junior Miss Jacksonville

Miss Susie Owens, a sophomore at Jacksonville High School, was crowned Jr. Miss Jacksonville in the summer of 1974. The activities included in the pageant were modeling sportswear and evening gowns, and being interviewed. Also, each girl must be between the ages of fourteen and seventeen. Miss Owens was the first sophomore in recent years to receive this honor. She has had many such honors including: Jr. Miss All American Girl; Miss Congeniality for Jacksonville in 1972; Homecoming queen for Sylvan Hills Jr. High School, and Jr. Miss Arkansas All American Beauty. She was a finalist for Jr. Miss Sylvan Hills, Miss Teenage Arkansas, and first runnerup for Jr. Miss Arkansas Universe. Miss Owens stated, "It's been so much fun but the year goes by so fast. I spent the whole first week after I was crowned planning what I would say when I crowned the new Jr. Miss Jacksonville."

First runner-up for Jr. Miss Jacksonville was **Miss Mary Hawk.** She would assume the title if for some reason the holder should have to relinquish it. The sportswear modeled by Miss Hawk was an ensemble of shorts, t-shirt, and tennis shoes. Miss Hawk was a contestant in the Miss Teenage Little Rock contest and placed as finalist and third alternate. She is a member of the Jacksonville cheerleaders and Future Teachers of America. She was honored with Most Likely to Succeed her freshman year at Southside Jr. High School and Who's Who her sophomore and junior years at Jacksonville High School. She was a member of the 1973-74 Homecoming royalty and is presently a junior at Jacksonville High School. Miss Hawk's feelings about the pageant were, "It was a lot of fun and I learned a lot by competing."

left: Jr. Miss Jacksonville, **Susie Owens** right: 1st runner-up, **Mary Hawk**



Jacksonville Junior Miss

Miss Debbie Romontio, a senior at Jacksonville High School, was named Jacksonville Junior Miss. The contestants for the pageant were recommended to the sponsors by the school counselors. An essay must be submitted by the candidates in order to enter the contest. An interview, talent competition and evening gown modeling were held during the pageant. Miss Romontio did a humorous monologue for her talent and wrote an essay on the community and school. She was also named Miss Congeniality and received a total of one hundred dollars in scholarships. Some of the honors and activities of Miss Romontio were: delegate to Girl's State, Who's Who for her Junior year, outstanding English student, cheerleader for Northside Junior High School, the Oratorical award, and Devilette member and officer. She said, "I felt really honored to be chosen for the pageant and even more honored to win."

Miss Sherrie Penn was the talent winner for the Jacksonville Jr. Miss Pageant. She played a piano medley of Hungarian classical pieces by McDowell. The essay written by Miss Penn for entrance into the pageant was on her life's ambition which is to teach music and retarded children. She is a member of the concert choir at Jacksonville High School, and is the pianist for the entire choir. She was also a member of the Devilettes for three years. Her comment on the pageant was "I enjoyed meeting all the girls. When I see them at college we'll have something in common and a basis for a friendship." Miss Penn is a senior at Jacksonville High School.

Boys' and Girls' State represents a week of political involvement

Boys' State and Girls' State is sponsored by the American Legion for high school students who will be seniors in the next term. The students participating are chosen by the faculty for their academic and leadership qualities. They spend a week living in barracks at Camp Robinson. These students learn the responsibilities and duties of city and state officials. They visit the capitol in Little Rock and pass bills in the Senate and House of Representatives. Boy and Girl State represents a week of political involvement. Students learn that the right to vote is a very important privilege. The basic idea promoted was respect for God and Country.

Clubs

Clubs make up a big part of JHS' extracurricular activities.

They promote leadership and all around togetherness. Each club does many different things to help better our school and our community. The purpose and qualifications for each club are different. Some clubs emphasize higher standards in scholarship, career orientation, and special and social interests.

Club activities are a good example of how JHS kept **on the move.**

Student Council sponsors successful Homecoming Dance

The 1974-75 Jacksonville High School Student Council represents one of the largest student bodies in the state. Much of the success of this years council is due to the fact that they now have second period each day to hold meetings and to plan activities, instead of depending on time before and after school. The Student Council sponsored the 1974 Homecoming Dance which turned out to be the best in JHS history. The Student Council also sponsored several successful assemblies for the entertainment of the student body. Many other services and activities included: marking off the teachers parking lot; landscaping the school grounds; electing student of the month; presenting the school with a memorial plaque; and sponsoring the awards assembly at the end of the year.

Mr. Sam Stueart and **Mrs. Billye Shore** have been the sponsors for the 1974-75 student council. The committee chairmen are: **Tommy Tompkins,** public relations; **Dean Schoenborn,** finance; **Tim Head,** service; **Steve Fuller,** assemblies.

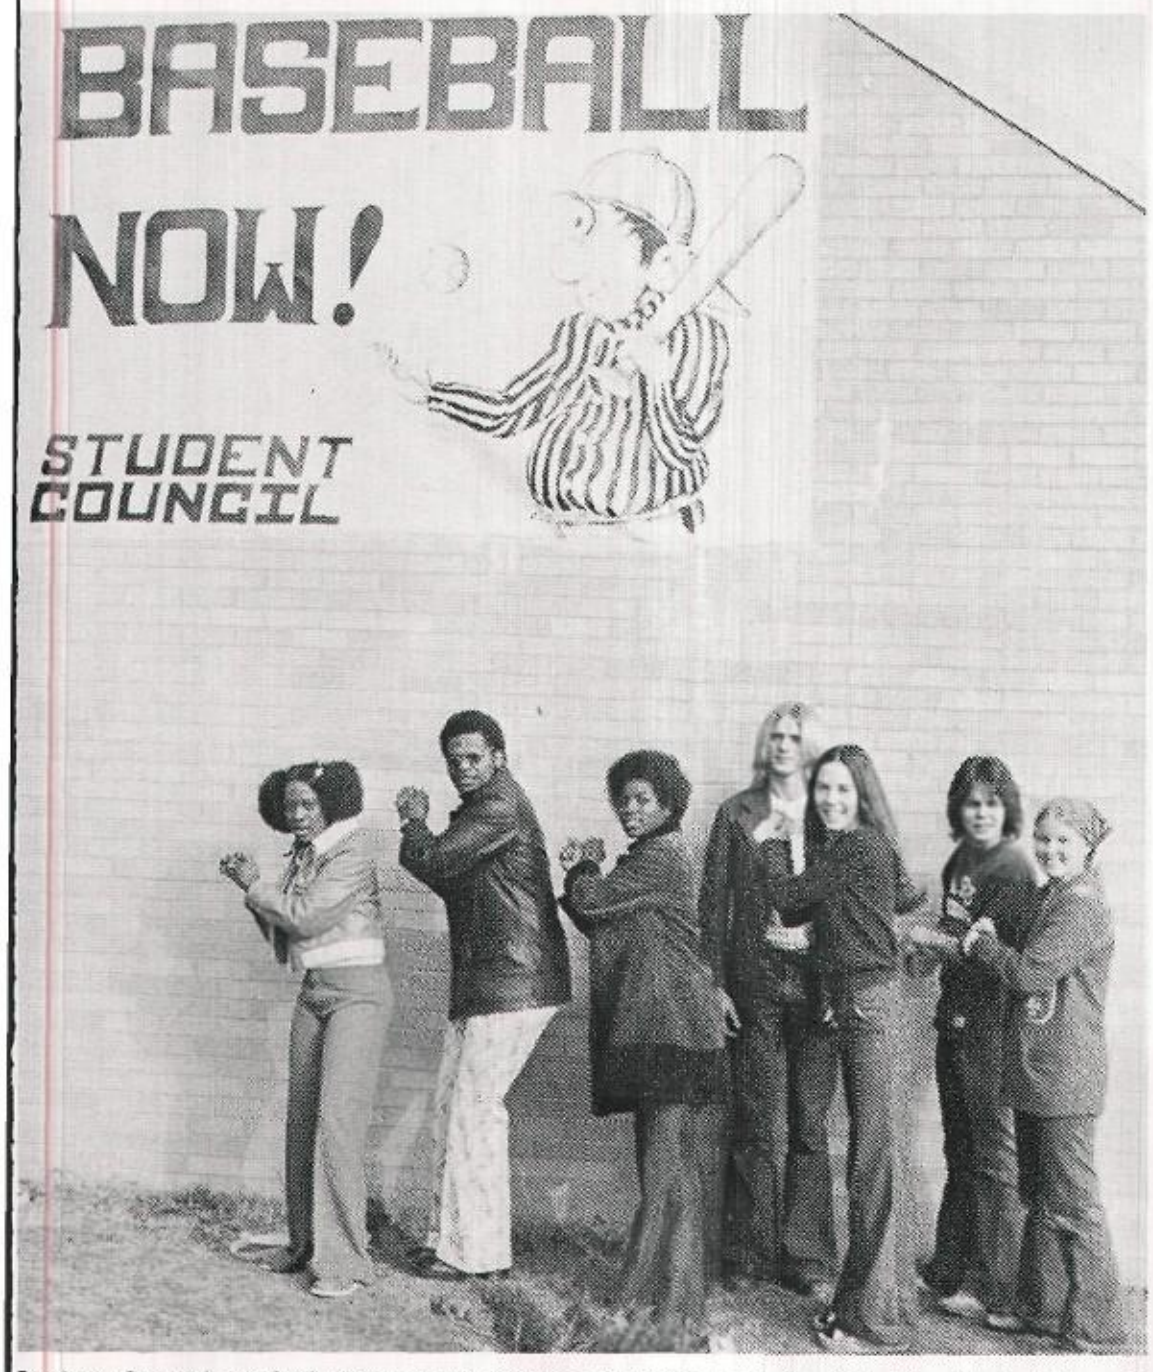
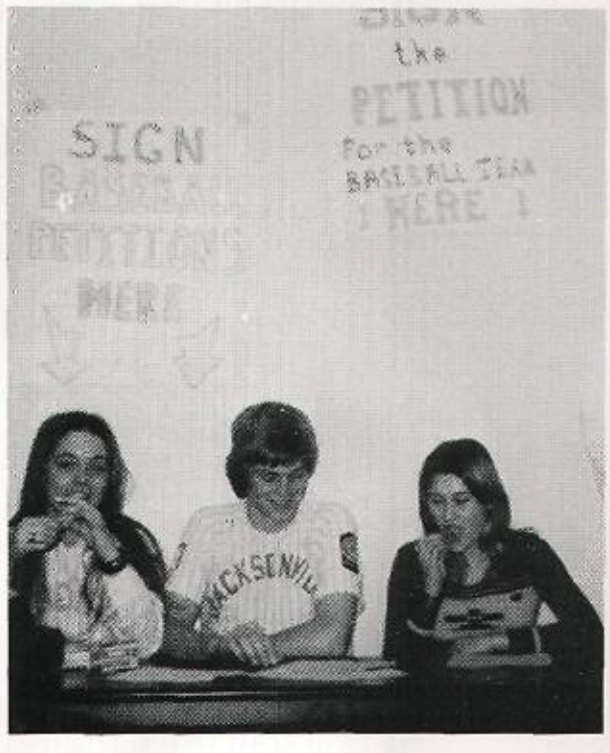
Mr. Price cuts his "going away" cake, given to him from Student Council.

Rico Williams and **Bill Tolleson** construct the Red Devil signs for each football player's yard.



Student Council worked this year to secure a baseball team for JHS. The Student Council offered to donate $1,000 to the athletic fund. The baseball team promotion included making buttons, banners, and posters. Student Council members also circulated petitions among the student body.

Dean Schoenborn, Pat Bevil, and **Robert Isbell** paint the numbers for the faculty parking places.



Beta Club stresses leadership and service

The Beta Club is a non-profit, leadership-service organization for high school students. Its purpose is to stimulate effort, reward achievement, and to encourage and assist its members to continue their education after high school. Only a school accredited by its State Department of Education can obtain a charter for a local chapter.

The qualifications for individual membership are worthy character, good mentality, creditable achievement, and commendable attitude. The local chapter and school head determine what local scholastic standards shall prevail. Income above the operating reserve goes into the Beta Education Fund to aid members with their advanced education.

The officers are (L to R) **Michael Ray Jones,** vice pres.; **Dianna Glenn,** pres.; **Diane Rowe,** Sec.; **Kenny Head,** tres.

Key Club promotes leadership

Key Club, primarily a service organization, draws its membership from the male members of the student body, who are chosen by the club for leadership and citizenship qualities. The Key Club is sponsored by the local Kiwanis Club, composed of leading professional businessmen of the community. The aims of the club include development of initiative, leadership ability and good citizen practices. Key Club has a service program consisting of various projects for the school, churches and for the benefit of the community. The officers of Key Club are **Ken Bohannon,** president; **Kris Lewonowski,** vice president, **Ted Grumbine,** Treasurer, and **Eddie Creer,** Secretary. The sponsors of the club are **Mr. Wayne Brannon** and **Mr. William Jones.**

Youth for Christ welcomes everyone

Youth for Christ through prayer, Bible study and fellowship promotes the importance of Christianity in every young person's life. All members are encouraged to let Jesus Christ reach out to others through them. Youth for Christ meets weekly, where the members participate in devotion, singing and prayer. The officers are: **Eddie Creer,** president; **Janet Baldwin,** vice-president; **Diane Rowe,** secretary; **Mark Raines,** treasurer.

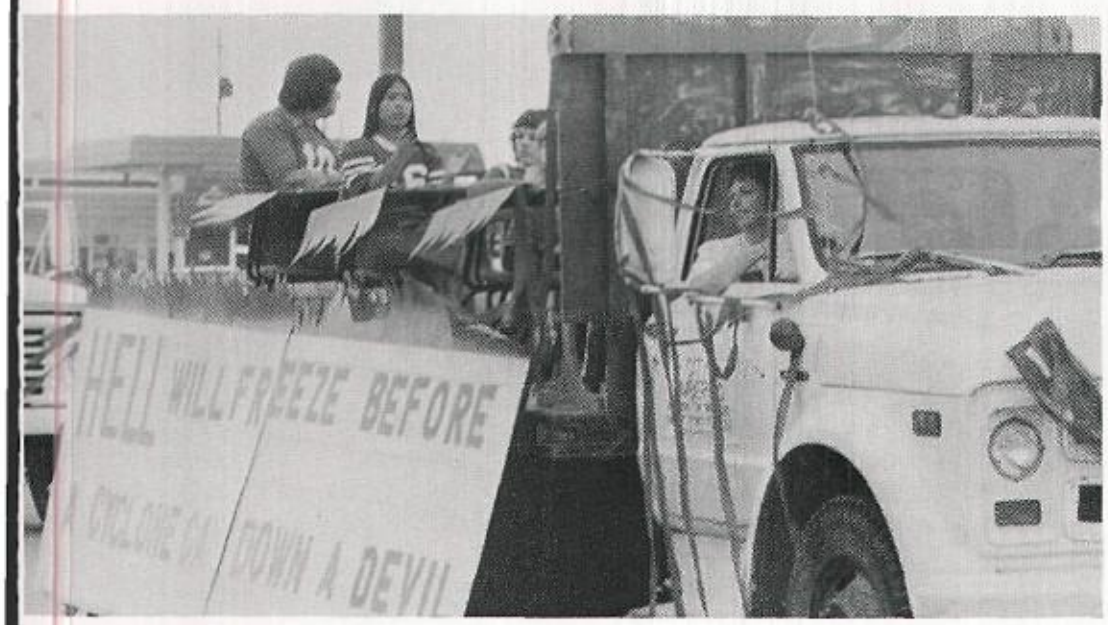
FTA helps local school

FTA officers are initiated at Bonanza.

FTA is a voluntary organization for people interested in teaching. Every year the members teach one day at a local elementary school. This year FTA members helped Warren Dupree Elementary after it burned by buying small items needed and helping them move to a temporary location.

One of FTA's responsibilities is to select the Teacher of the Year. They base their vote on the participation and interest of a teacher in the school. Teacher of the year for 1974-75 is **Mr. Ron Coward.**

The sponsors are **Mrs. Whatley, Mr. Nipper** and **Mr. Hill.**



FTA participated in the Homecoming Parade by entering a float.

VICA chapter of health helps people

VICA represents the vocational industrial clubs of America. The HOE chapter in VICA is concerned with the health field. HOE students work in jobs as nurse's aides, dental assistants, medical office assistants, and physical therapists. They are also involved with people learning to help and understand others.

The chapter attended state wide convention for competitions in these fields. The VICA chapter of Health Occupations helps people in services of the school and encourages health education. The sponsor is **Mrs. Margaret Sanders.**

Quill and Scroll promotes individual achievement

L. to R: **Mike Seay, Liz St. Martin, Debbie Plunkett, Mike Clawson, Dean Schoenborn, Debbie Ransom, Ms. Connie Shrout, Mark Raines, Kathy Chambers, Liz Lowery, Ray Williams, Carol Monahan, Tammie McRae, Denise Reid.**

Rewarding individual achievement in journalism and associated fields is the Quill and Scrolls primary aim. For almost fifty years high school students have enjoyed the services of this society.

Throughout the year, the International Honorary Society for High School Journalism students will be striving for the promotion of truth without opinion or bias. This is the main idea behind Quill and Scroll.

Only juniors and seniors in the upper third of their classes are eligible after a recommendation by the supervisors. The meetings take place once a month on Friday morning.

The international body of Quill and Scroll offers students different writing and photograph contests that they may enter. Some students may win scholarships given by the society.

Orchestra accompanies JHS Concert Choir

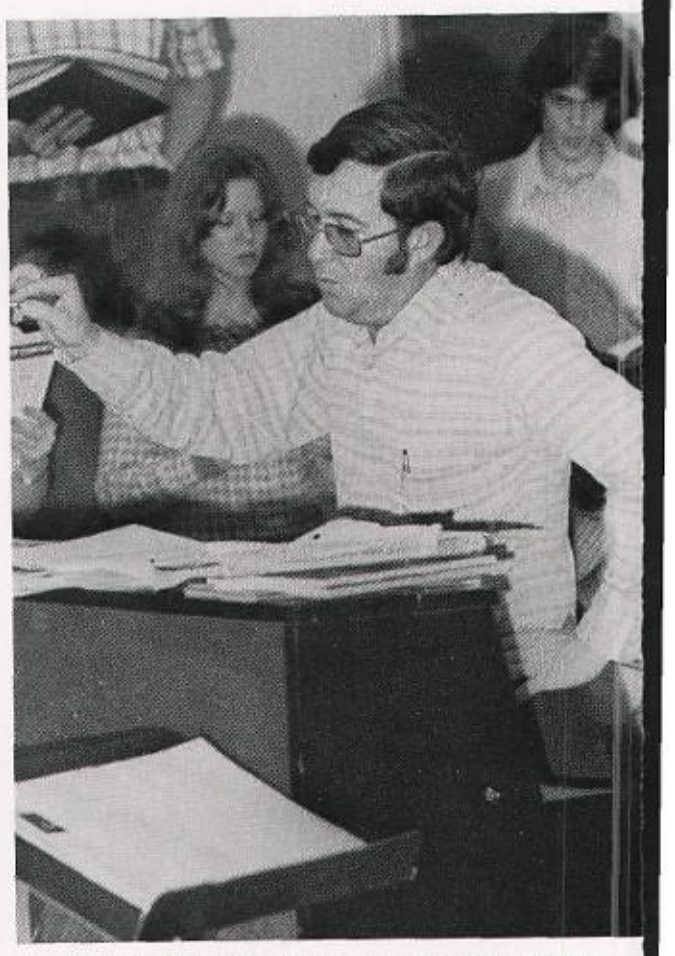
The JHS Choral Department involves over 200 students between its five choirs, which include Concert choir, Sophomore choir, Advanced Girls Choir, Basic Girls Choir and Madrigals.

Under the direction of **Mr. Don Davis,** the choirs competed state-wide as well as individually. They produced a musical, presented six school concerts and traveled through Central Arkansas for performances.

This year the choir entertained local elementary schools with a skit, "Twas the Night Before Christmas."

Those students interested in solo and ensemble singing were given the opportunity to perform before judges as well as during the annual pop concert.

For the first time at this high school, the Concert Choir was accompanied by an orchestra during the performance of Vivalde's "Gloria."



Director **Don Davis** conducts choir practice.

Varsity Cheerleaders bring out the real "Devil Spirit"

The cheerleaders' job is to keep up school spirit when the season shows victories or defeats. The cheerleaders lead yells for the Red Devils and help promote spirit at school as well as away from the school.

Under the direction of **Yulanda Jackson** Captain, the cheerleaders practiced long and hard hours this summer for camp. Paying off for this practice, the squad brought back first place ribbons and a spirit stick. One of three brought back by Jacksonville squads.

The cheerleaders have many jobs besides cheering for the Red Devils. During football and basketball season the girls surprised the teams with little gifts for special occasions. The cheerleaders also played an important role in the success of homecoming activities, pep rallies and community projects.

The cheerleader sponsor is **Mrs. Arline Thompson.**

JHS band adds new attraction

The Jacksonville High School Band under the leadership of Mr. Wayne Wilson, performed at eleven football games this year. An added attraction to the band was the flag corps. The JHS band also marched in the Homecoming and Christmas Parades.

The Pep band played at several home basketball games and pep rallies.

During concert season Jacksonville hosted the region concert and also the solo and ensemble contests.

The band numbers ninety-six this year. This group makes up a ninety-six chair symphonic band and includes a sixty-four piece concert band.

Flag Corps

This year the J. H. S. band had a new addition, a Flag Corps. The group consisted of eight girls who are in the band. The girls were led by Seniors **Sandy Taylor,** captain and **Pam Furbee,** co-captain.

The flag corps marched with the band and did special routines at half-time. For homecoming, the flag corps and the majorettes got together and did a dance routine to the 50's tune "Rock Around the Clock." In the summer, the girls practiced very hard to get ready for football games.

The J. H. S. Flag Corps helped to promote school spirit and enthusiasm in the band.

Majorettes

The Jacksonville High School majorettes became a regulation group; they have a captain, co-captain and a demerit system. There are six majorettes in the band. The girls worked very hard in the summer learning routines.

The majorettes performed twirling routines at football games, pep rallies and parades during the marching season. During the concert season, the girls changed from majorettes to band members. One of the requirements to be a majorette is to play an instrument.

The majorettes are a small, hard-working dedicated group of young girls who serve their school.

Biology Club is new at JHS

The Biology Club was formed in the 1974-75 school year with the major objective of stimulating interest in the field of Biology, beyond the classroom curriculum. The organization's membership is limited to advanced Biology students currently enrolled in Botany or Zoology. Their goals are to bring about an awareness of problems in ecology, conservation, community health, and related fields of Biology.

The current officers are: coordinating chairman, **Terry Stanford;** finance chairman, **Greg Allen;** and secretary, **Tammie McRae.** The club sponsors are **Ron Coward** and **Freeman Thomas.**

Annual Staff records 1974-75 school year

The 1974-75 Red Devil Annual staff consists of eleven juniors and seniors who are interested in recording the events of the school year in the form of a year book. Each member is selected by the adviser, Mrs. Martin, for academic achievements and ability to work with others. Each member must be interested in school activities and is involved with many school functions. An annual staff member increases his knowledge in journalism and photography. Many hard hours of work are required to produce a year book, but the reward is the satisfaction of creating a record of the year that will be cherished forever.

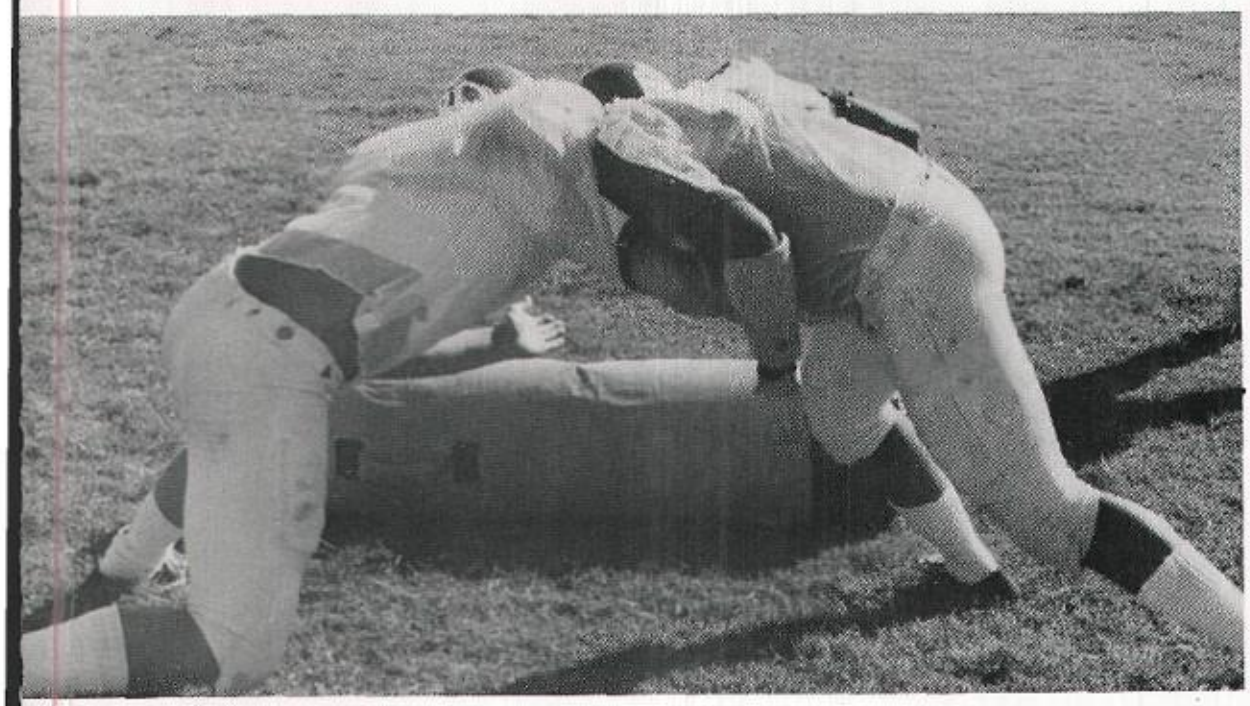
Sports



Sports to a lot of people means either football or basketball. At JHS, that was not true.

Besides our football and basketball teams, we also had a track, gymnastic, and golf team.

The Red Devils had one of the best seasons in the football and basketball history of JHS!

The football team, coached by Bill Reed, had a record of 2-3-1 for conference games, and 6-4-1 for overall games.

The basketball team, coached by Mike Burk, had a record of 8-4-0 for conference games, and 14-7-0 for overall games. They finished fourth in the AAA-Central conference.

Sports at JHS provided many proud moments of victory for our players and fans, and helped to keep all of us **on the move.**

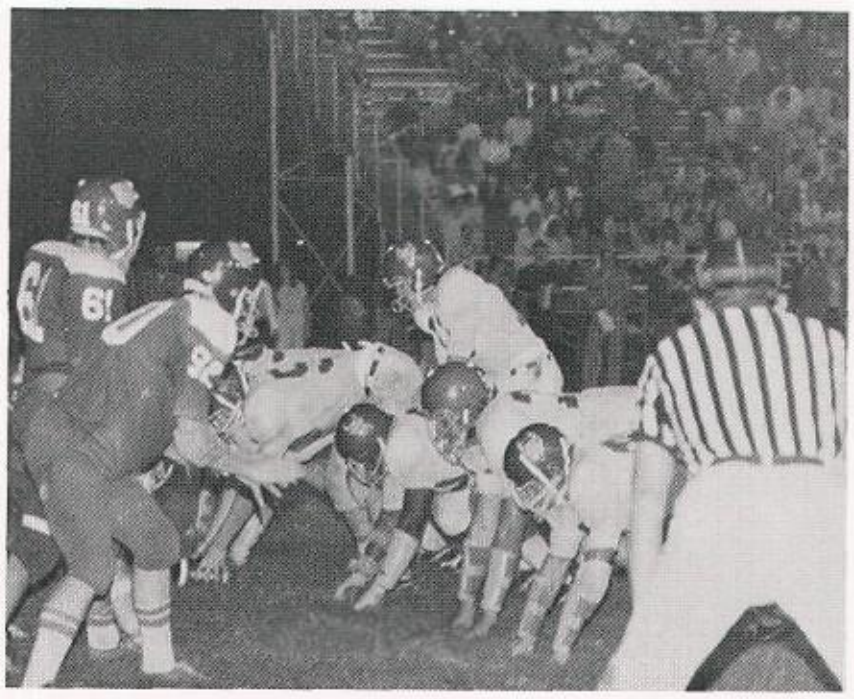
Devils face Sylvan Hills and Hot Springs in first two games



The Red Devils' opener this year was against Sylvan Hills. The Red Devils outplayed the Bears everywhere except on the scoreboard. The clock ran out before the Devils could try a field goal from the eight yard line. The final score was 0-0.

For their next game the Devils played Hot Springs at home. The Trojans capitalized on eight Devil fumbles. Jacksonville's only score came when Ray Cardwell took a hand off from the Trojan's quarterback and ran 95 yards for a touchdown. The final score was 21-7. The Devils' record fell to 0-1-1.

Jacksonville shut out Helena 21-0. In the first quarter Jacksonville scored their first touchdown in the game. The Red Devils' defense blocked a punt and set up a three yard run. Their next score came from a run up the middle on the one yard line. The finishing touches were put on by a three yard scoring run. The final score was 21-0.

The Red Devils played their next game against Mills. The first half ended in a 7-7 tie. In the second half Jacksonville went on a 21 point scoring spree. The final score was Jacksonville 28—Mills 7.

Red Devils return to the gridiron against Catholic High

Fresh off a 14-7 victory over the Jonesboro Golden Hurricanes, the Jacksonville Red Devils returned to the gridiron when they hosted Little Rock Catholic High. The game with the Rockets was slated for 8 p.m. at Jan Crow Stadium. The nonconference game with Jonesboro was their homecoming. Jacksonville Coach **Bill Reed** said that the Red Devils had received an offensive boost with the return of fullback **Tony Tademy** and tailback **Mike Fortson. Reed** said, "We're in the best shape offensively we've been in all year." Quarterback **Larry Hollingsworth,** previously hobbled by a hip pointer was back full strength. Jacksonville was sparked by the play of **Lee Monroe, Tony Tademy, Rodney Janssen** and **William Bone** on the way to the Jonesboro victory. The Hurricanes used the wishbone attack on the Red Devils because it was a good play for them last year.

Tompkins leads Devils to victory over McClellan

The Devil's 14-13 win over McClellan's Lions Friday, October 25 was due largely to two long drives piloted by **Tommy Tompkins.**

With a second and goal at the four-yard line, the Devils ran a play in which Jacksonville quarterback **Tompkins** handed off to **Fernando Weathers** who gained one-yard over the left tackle. The only people in the game who knew what was going to happen were the backs directly involved, **Weathers** and **Tompkins. Tompkins** took the snap directly from the center and ran an excellent fake to **Weathers. Tompkins** bootlegged the ball around the left side of the Jacksonville line and ran to the end zone for the score. The extra point which followed the touchdown put the Devils ahead for the rest of the game. Jacksonville played to victory and were in possession of the ball as the clock ran out even though they had one more turnover than the Lions and more penalties.

The game was won by the fine Red Devil defense. **Preston Frey,** a "dynamite" cornerback came up with play after play, plus a big interception on the last offensive thrust of the Russellville Cyclones. Final score of the game was 6-0.

Devils end best season with 9-3 loss to Benton

The last game of the season was played between Jacksonville and Benton when stakes were running high. The forecast for the game was that it would be a close game between two strong teams. The first half of the game showed the Jacksonville men taking the lead. Jacksonville had Benton at a standstill and was winning. Both teams successfully contained the other's offensive threats until the second quarter when the Red Devils gained momentum. The Devils tried for a field goal and missed it by inches. Later in the game, **Preston Frey** intercepted a pass made by Benton and returned it to the Devils 33 yard line. **Billy Smith** kicked a field goal from 22 yards out with one minute left in the half. The first half belonged solely to Jacksonville. The second half went to the Panthers, who came back with a big drive featuring the slashing running of their tailback. The final score ended Benton 9, Jacksonville 3.

Devils show potential against Parkview and Northeast

To open the season, the Red Devils traveled to Parkview. From the first quarter of the game, the Red Devils held the lead. When the second quarter started, the Devils continued to dominate the game. In the second half, Parkview tried a full court press but the Devils stopped it. In the fourth quarter, Parkview made a determined run at the Devils. At the end of regulation play, the score was 57-57. Jacksonville needed only one overtime to go ahead, 64-72.

For the second game of the season, Jacksonville played Northeast. At the end of the first quarter, the score was very low. The second quarter was almost the same but the scoring picked up. In the third quarter, the Devils increased their lead by nine points. The fourth quarter was hectic, as the Chargers tried to close the gap, but the Devils refused to let them go ahead. The final score of the game was 42-40.

Devils defeat Menifee for third win

The third game of the season was played at the Devils' Den against the Mustangs. The Devils held the lead all the way through the game. Menifee was determined to go down fighting as they pulled within four points of the Devils with 2 minutes, 47 seconds to go. The Devils went into a stall game plan and won 55-50.

Tademy and Isbell lead in defeat of Sylvan Hills

Jacksonville played Sylvan Hills in the Pulaski County Tournament and solidly beat the Bears. The Bears left **Ray Tademy** open in the first half and **Dennis Isbell** in the second half. This mistake helped the Devils beat the Bears 70-62.

Jacksonville played McClellan in their next game and found McClellan to be fairly tough. The first half the scoring was almost equal. The half score was 25-23 led by the Devils. The second half was almost the same from the start, but in the fourth quarter McClellan picked up several points on foul shots to beat the Devils 49-42.

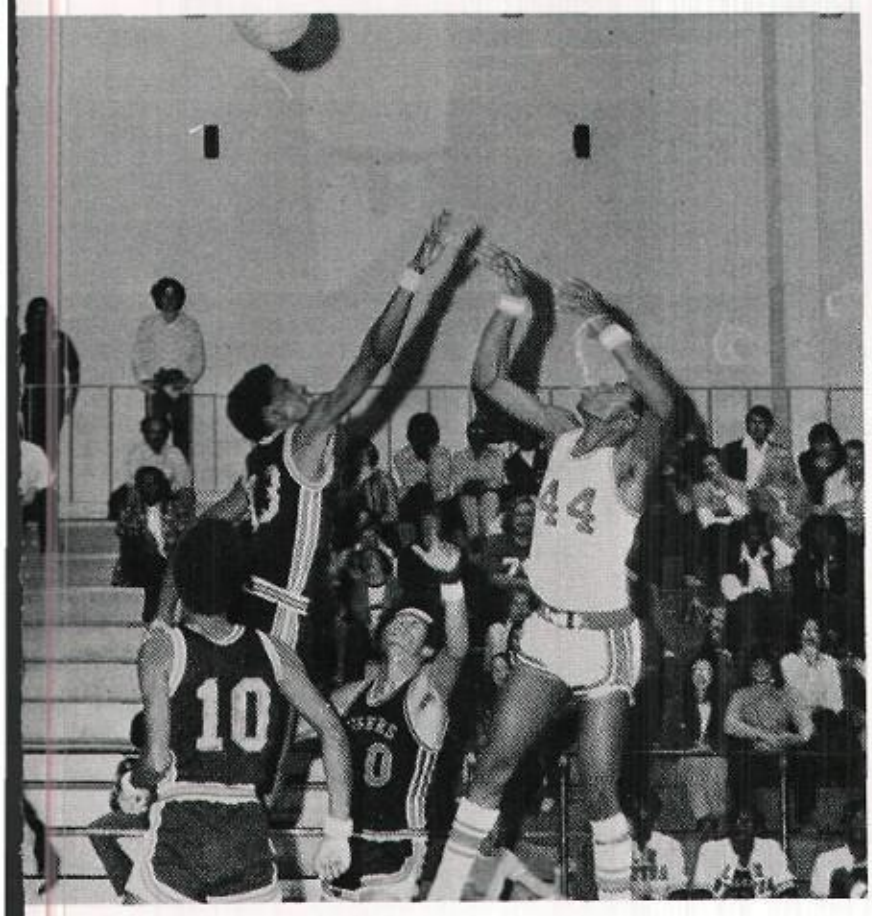
Devils face Central, Northeast, Sylvan Hills and Conway

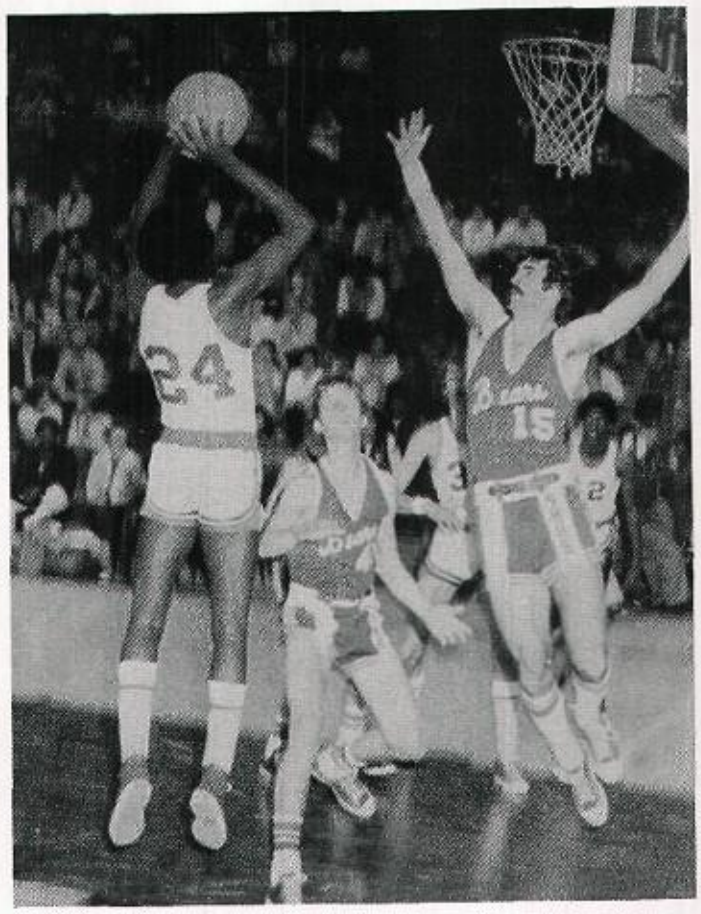
Jacksonville couldn't keep up the pace with Central. Central jumped to a 14-10 lead at the end of the first quarter. The second quarter was closer. At the end of the third quarter, they led 40-26. The fourth quarter was about the same as the Devils fell behind by twenty points, 48-28. The final score was 51-38, Central over the Devils.

The Red Devils traveled to Northeast and played a close game against the Chargers. The final score was Jacksonville 42 and Northeast 40.

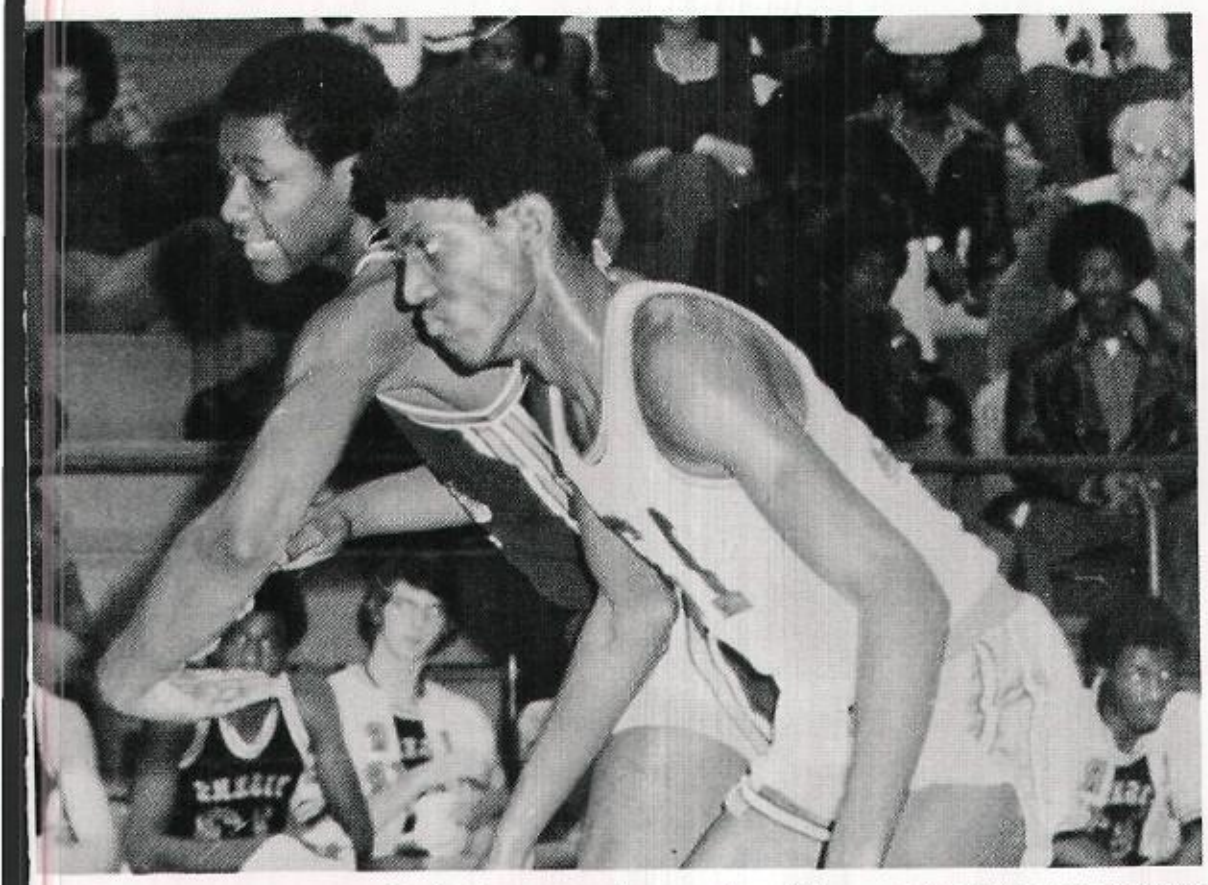
Jacksonville played host to the Sylvan Hills Bears. The Devils kept the ball moving around. At the end of the first quarter, Jacksonville led 23-16. The final score was Jacksonville 60 and Sylvan Hills 62.

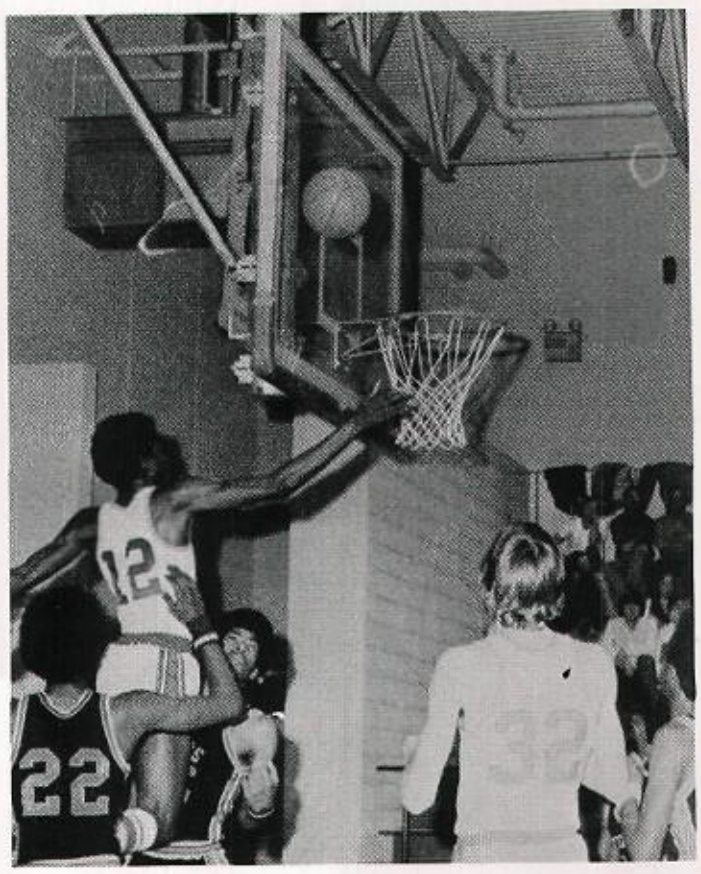
The Jacksonville Red Devils traveled to Conway to play in the S. C. A. Tournament. Conway led at the end of the first quarter. The halftime score was Conway 26 and Jacksonville 22. The Devils slowly closed the gap with Conway but the clock ran out before we could get real close. The final score was Conway 56 and Jacksonville 46.





Dennis Hammond shoots a jump shot for the Devils.





Ray Tademy guards a member of the opposing team and minutes later puts the ball in for two points.

Red Devils suffer losses

The Red Devils suffered a loss to McClellan in a hard fought game. The Red Devils started out slow and were down by ten at the end of the first quarter. In the second quarter, Jacksonville was pouring in shots right and left. The half-time score was 24-20. McClellan out rebounded and out hustled us in the third quarter. McClellan continued to keep up the pressure the rest of the game and McClellan won 47-39.

The Red Devils traveled to Texarkana to play the Hogs. The first half was close. The Red Devils were able to build a small lead. The score at the half was Red Devils 24 and Hogs 23. Late in the second half, Jacksonville started dominating the boards. This helped the Devils to increase their lead and beat the Hogs, 60-54.

The Red Devils played their next game against Benton. The Panthers ran up a good lead to fend off a late Jacksonville rally. The Panthers connected on two baskets to hold the lead and win the game, 52-51.

Games with Parkview, Mills and Hot Springs provide victories

Jacksonville hosted Parkview and handed them a 57-46 loss. The Patriots took advantage of some of the Devils' mistakes and led 27-22 at the half. In the second half the Devils blasted Parkview off the court. The Patriots managed to catch up some, but is wasn't enough.

The Red Devils played the Comets for their next game. The Devils had a solid lead at the end of the first half, 36-29. The second half was worse for the Comets. The Devils outscored them almost three to one in the third quarter and two to one in the fourth. The final score was 92-47.

Jacksonville played an important game against Hot Springs and won. The game was close but the Devils proved they could beat the conference leader. When the first half ended, the Devils held the advantage 31-23. Hot Springs closed the gap late in the game, but the Devils won it by connecting at the foul line with about 1:50 left on the clock.

Devils defeat Sylvan Hills and Texarkana– lose to McClellan

The Jacksonville Red Devils ventured to Sylvan Hills to play the Bears. The first quarter started out with each team trading baskets. At the end of the first quarter Jacksonville led 18-16. In the second quarter scoring was close, but Jacksonville led at half time 32-31. After some defensive adjustments, the Devils shut the Bears out while the offense put more points on the board. The final score was Jacksonville 65 and Sylvan Hills 56.

The Red Devils dropped a close game to McClellan with a final score of 61-60. Jacksonville played well but accumulated twenty-four fouls during the game. This loss dimmed some of Jacksonville's hopes in the conference race.

Texarkana traveled to Jacksonville to play the Devils in an important conference game. At the start of the game, both teams showed weakness in defense. At the end of the quarter the score was 13-11, Jacksonville leading. The Devils remained ahead in the second quarter with the score at the half 29-24. The scoring in the second half was close until Jacksonville changed its strategy to take the high percentage shots. This strategy paid off and Jacksonville began to pull away from the Hogs. The final score was Jacksonville 54 and Texarkana 49.

Devils end season with 14-7 record

The Red Devils played a fine game against Benton. Benton led through the first quarter 14-9. In the second quarter Jacksonville started to close the gap. At the half it was Panthers 30, Jacksonville 26. Jacksonville started shutting out the Benton offense. At the end of the third quarter, it was Jacksonville 42, Benton 39. The devils totally dominated the fourth quarter and won the game 62-51.

Jacksonville lost a fierce battle with Hot Springs 59-58. The Trojans got off to a fast start. At the end of the first quarter the Trojans led 13-9. Both teams were scoring high. The half-time score was Trojans 28, Devils 26. The fourth quarter was hectic. The Devils began to rally with 45 seconds left. The Devils were trailing 55-56. Hot Springs made a late foul shot to win the game 59-58.

Jacksonville played their last game of the season against the Comets. The Devils were dynamite. They ran up a 33-16 lead at halftime. In the second half Jacksonville played the same way. The final score was Jacksonville 76, Mills 44. The Devils ended the season with a 14-7 record.

Faculty and Administration

The Faculty and Administration kept busy with the many responsibilities that came with their jobs. Teaching class, grading papers and tests, averaging grades, attending faculty and in-service meetings were just a few of the teachers' responsibilities. Also, some teachers took graduate courses, sponsored clubs and other school activities.

The administration managed all school business which included scheduling, handling public relations, supervising extracurricular activities, helping teachers, disciplining students, and attending to all daily situations that occur in a school with 1700 students.

Along with the students at JHS, the Faculty and Administration were **on the move.**

Counselors have many responsibilities

The Guidance Department is an important part of Jacksonville High School. The five counselors have many responsibilities which help with the operation of the school.

The student body is divided alphabetically among the counselors, so that each student has his own counselor. Students are called in periodically for conferences, and they can also go in at any time for a conference.

Some of the duties of the counselors involve: scheduling; keeping up with credits for graduation; helping seniors get into colleges, or business and vocational schools; conducting pre-registration each spring; and administering the ACT, PSAT—NMSQT, and Betty Crocker tests.

Kathe Neighbors, Sam Stueart and **Robert Richards** are new to the department. **Mrs. Neighbors** has been a counselor for five years and was at Sylvan Hills before coming to Jacksonville. **Mr. Stueart** and **Mr. Richards** have taught in the history department at JHS. **Mr. Stueart** has one World Cultures class this year.

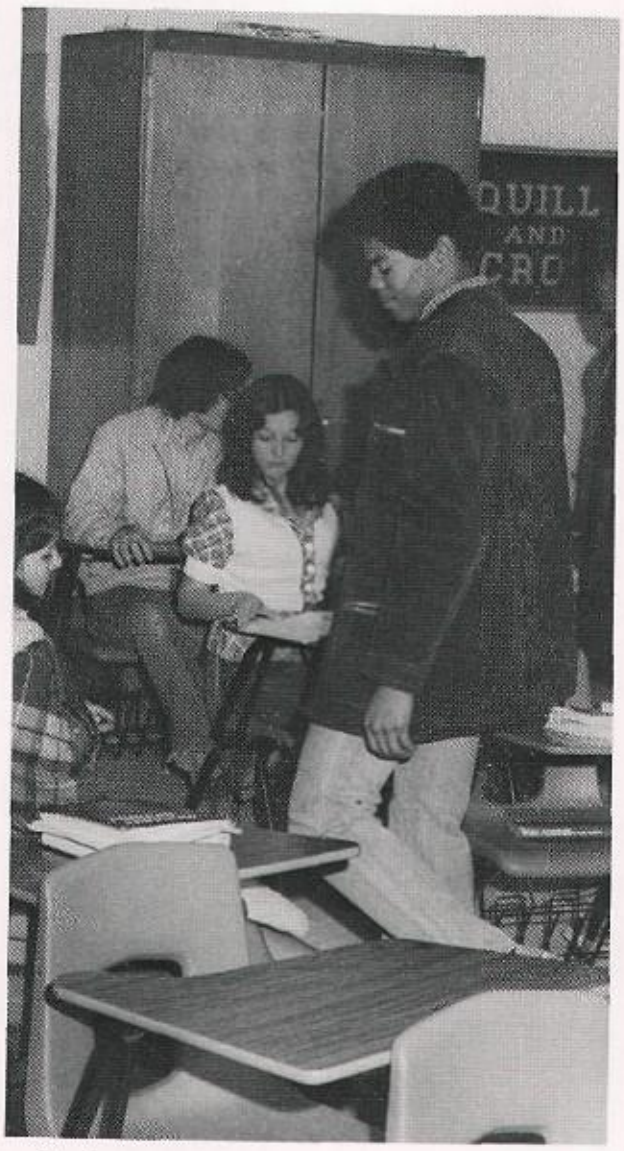
English electives offer new courses

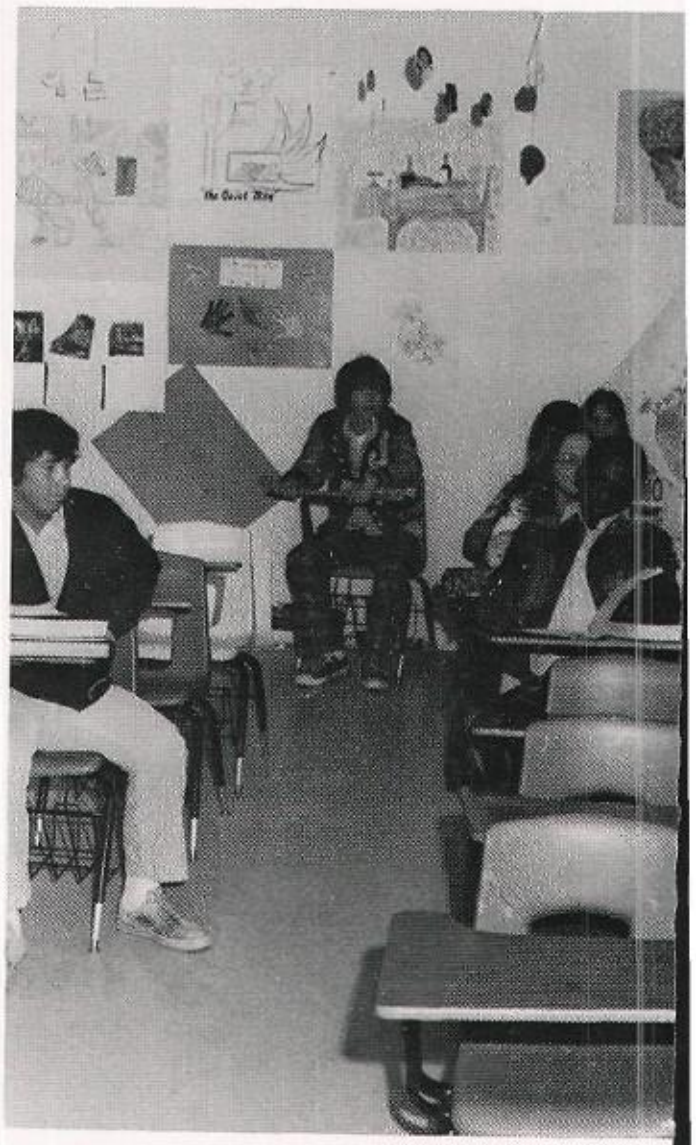
The English Department has finished two and a half years with the electives program.

This year a total of twenty-six courses were offered. Four of these were offered for the first time. These courses were American Folklore, Multi-Ethnic Literature, Development of Our Language and Science Fiction.

Juniors and Seniors are enrolled in the electives classes. Sophomore students participate in the regular tenth grade curriculum.

Each junior and senior takes four courses during the school year. Juniors are required to take one course in American literature, and seniors must take one course in British literature.





Sophomores **Debbie McGee, Dana Welcher,** and **George Reed** and their classmates wait for class to begin.

Math Department offers a variety of courses

All students are required to take two years of math. These courses are necessary because basic principles taught in math classes are needed for all areas of life.

The department offers a variety of courses from Basic Math to Algebra II and Analysis. Many students take four years of math.

New to the math department are **Glenda Arant, Ralph Litzenfelner, Albert Weaver, Alice Jenkins** and **Betty Squires.**

Science Department meets students' needs

The Science Department is designed to meet the needs of all students. Basic courses such as Physical Science and Life Science are offered for those who do not plan to major in any of the sciences but need a science course for graduation. Biology I is offered for students who have a strong interest in the biological field. Biology II, Zoology, Chemistry, and Physics are available for the student who is more oriented toward college and a career in the sciences.

Mini-course program new in Social Studies Department

The Social Studies Department offers a sequential curriculum with the following ten areas of study: World History, World Geography, World Cultures, Sociology, Psychology, Humanities, American History, Current Affairs, Arkansas History, and Problems of Democracy. Constant re-evaluation of student needs and interests led to a new mini-course program in American History this year. During the first semester, students had a summary course of American History. Each participating student then chose two nine weeks courses for the second semester from a list of fourteen offered. The courses each provided specialized and in-depth study in the phase of history most interesting to the student.

Band and Choir students have busy year

The Jacksonville Band had a very busy year playing for eleven football games, pep rallies, homecoming parade, Christmas parage, three concerts, solo and Ensemble contests. Region Band contest, and graduation. Sixteen members qualified for All Region Band and five students qualified for All State Band.

The choral director of J. H. S. is **Mr. Don Davis** who has been directing the music department for three years. The music department has grown immensely in popularity and in spirit since he became director.

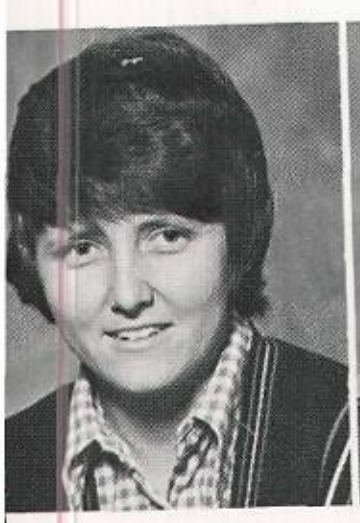
Art Department interests students



Ramona Autrey

Catherine Porter

The Art Department is relatively new to Jacksonville High School. Approximately 215 students per year take a choice of four different art courses. **Miss Porter** and **Miss Autrey** teach Art I, Drawing and Design, Crafts, and Painting.

The Art Program is structured so that students interested in art must take the Art I course before advancing to the other courses. Only Art I students recommended by the teacher are allowed to advance to the other courses. Projects covered in Art I range from papier mache, drawing, painting, to Art History.

The other courses deal with advanced areas of art plus Art History. During the year, several art shows are entered by art students. Some field trips are planned for more advanced students to attend and enter art shows.

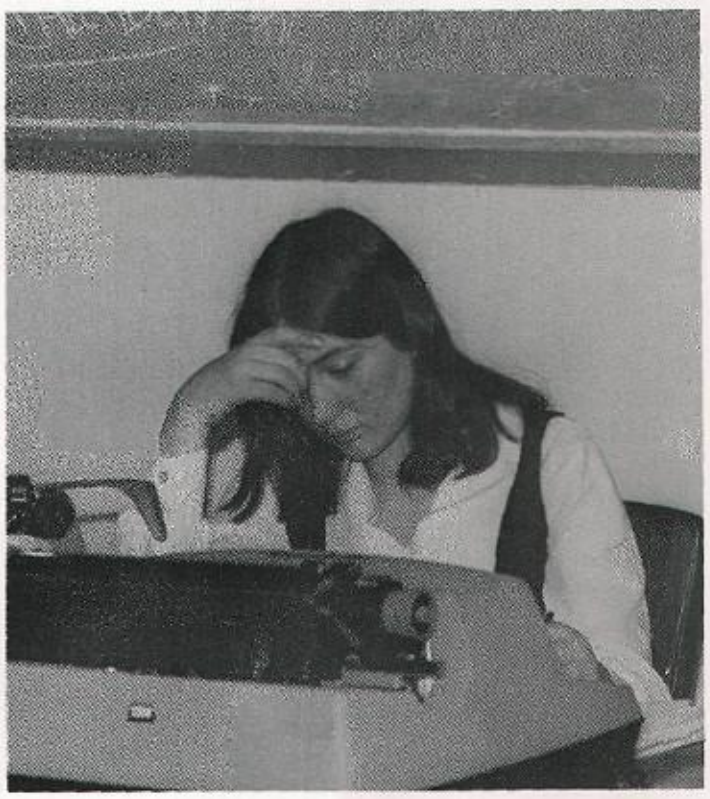
Business Department teaches skills

The Business Department of Jacksonville High has been planned and developed to create an office atmosphere and teach the skills that all business personnel should know—from secretarial skills to the laws which oversee business today.

It is no longer a department meant just to teach and train secretaries, although the secretary of today can learn the skills that will be required of her. Future business executives can begin here and receive a good background that will enable them to go far in any business enterprise.

Vivian Moragne works on a class assignment.

Students learn that only practice will improve their typing skills.



Carol Monhart studies the many different parts of the typewriter.

Vocational courses offer training in job skills

Vocational courses offered here at Jacksonville include HOE, Auto Mechanics, D.E., HERO, ICT, and Electronics. These courses offer students the experience and ability to obtain successful jobs without a college degree. Most of the students in these courses attend school for half a day and work in related jobs the rest of the day. A highlight of the school year is the vocational banquet in the spring. At this time, employers of the vocational students are honored.

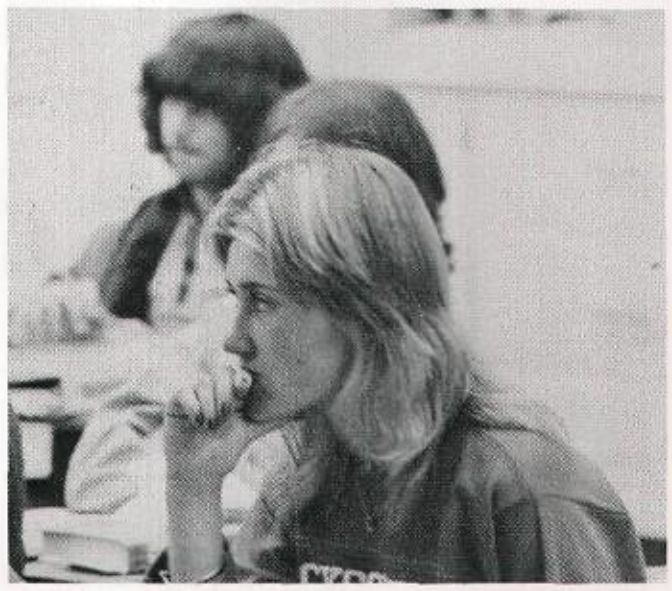
Student Body



The Student Body of 1975 was one of the best ever. They carried out the many tasks expected of them, such as going to classes, studying, and taking tests.

They also upheld the long standing tradition of seniors being the best, juniors being neutral, and sophomores (those poor sophomores) being on the bottom. One of the best examples to illustrate this situation was at pep rallies. It seemed as if the students lived for pep rallies just to have the chance of trying to out yell the two other classes. In the end, the three classes harmonized and showed their school spirit by the all famous call, "DEVILS."

Students also supported the many assemblies and dances that JHS sponsored.

All in all, these students kept **on the move** with the many activities this school sponsored.

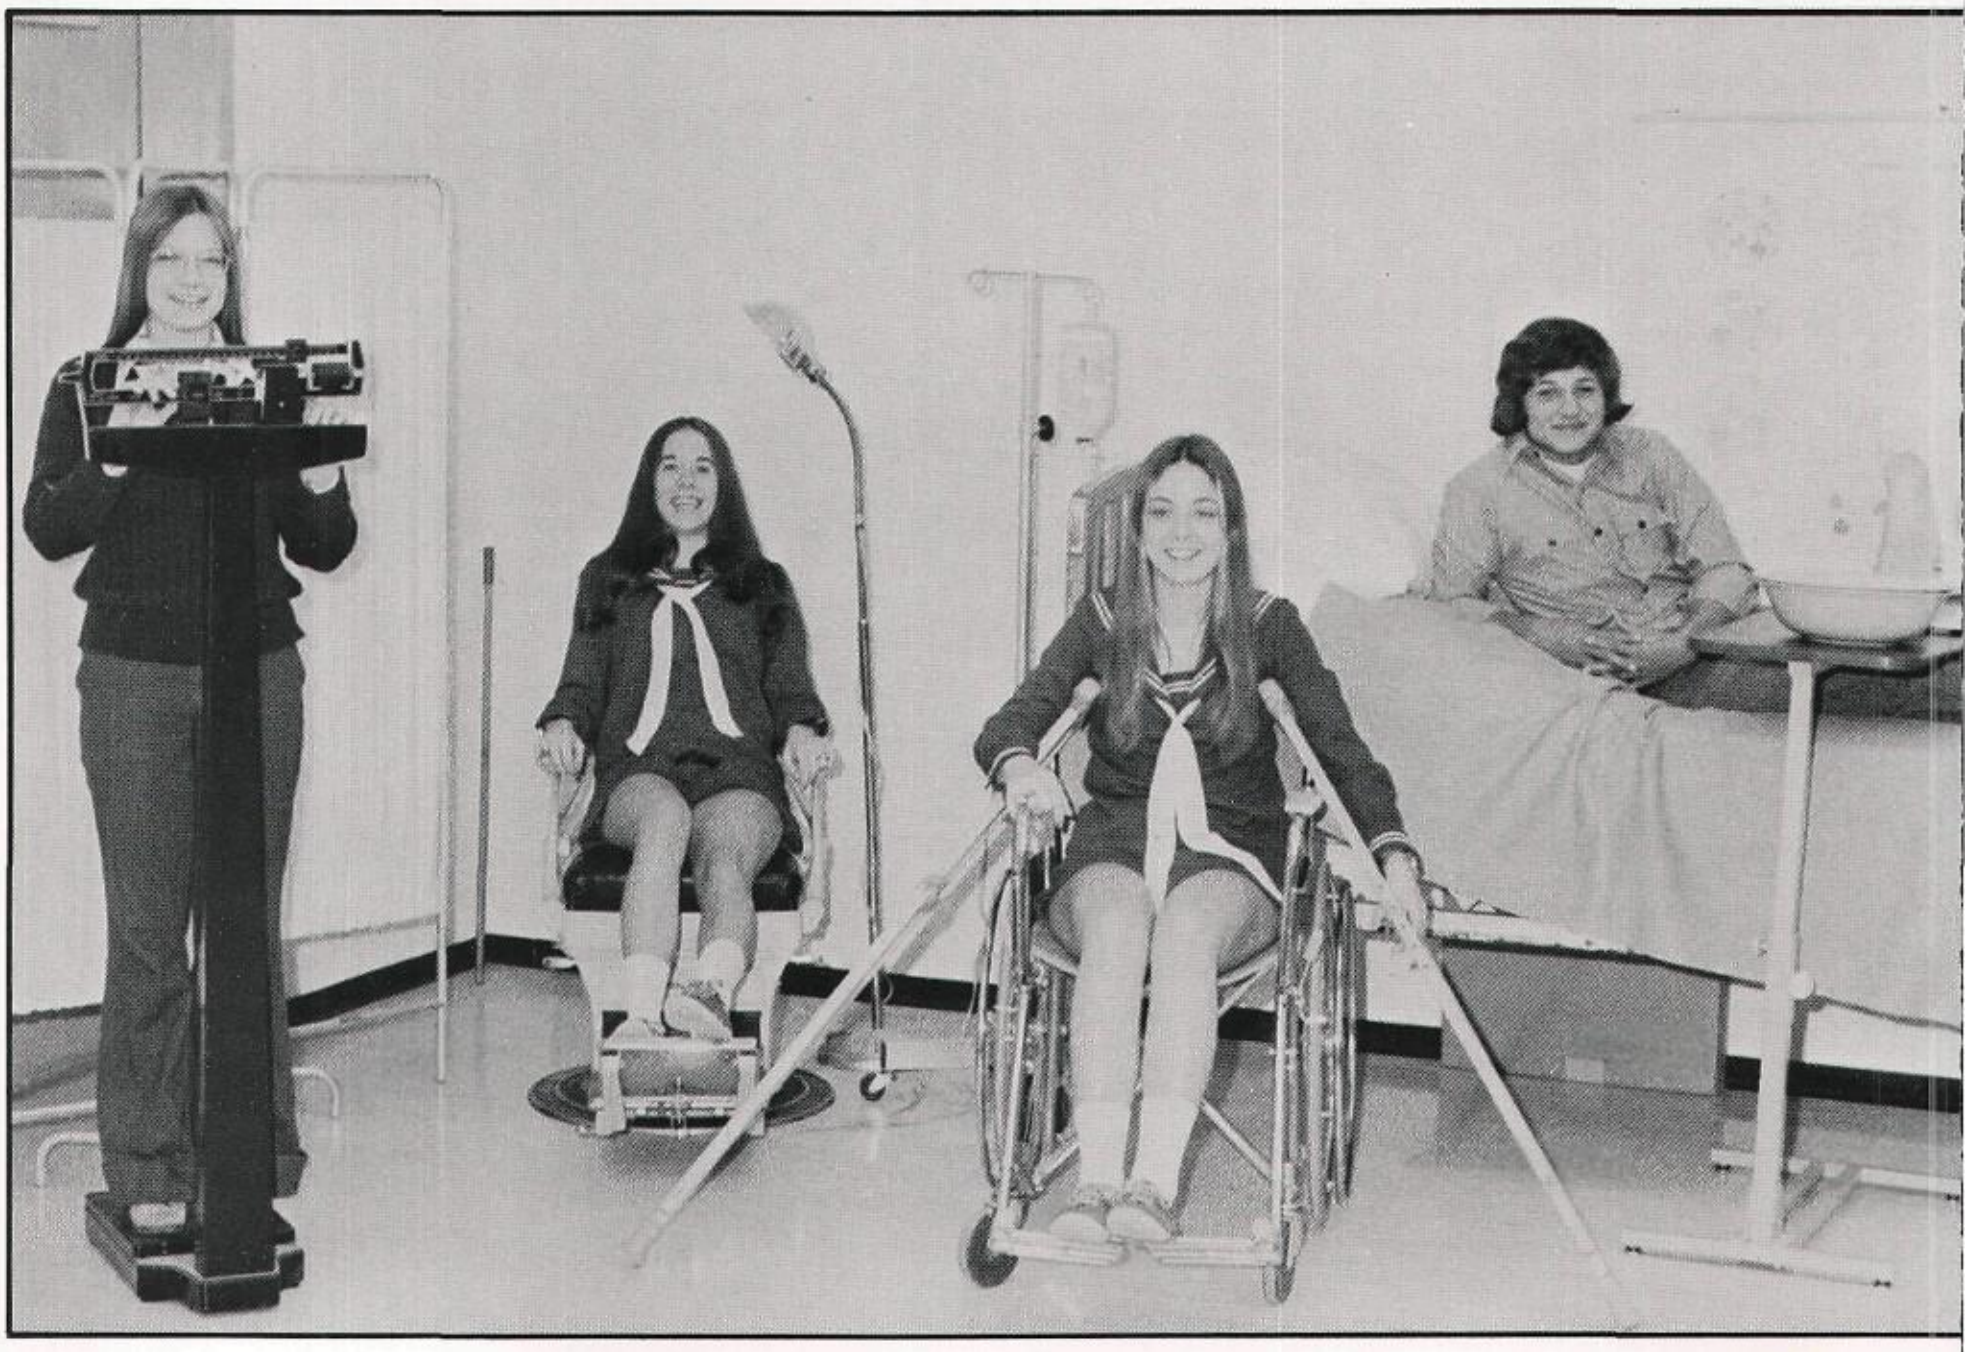
Terri Bridges elected president of 1975 senior class

Terri Bridges, Yulanda Jackson, Marcia Gray and **Louis Brolo** headed the 1975 senior class. The Student Council conducted this year's election. Candidates turned in petitions signed by their classmates in order to run for an office.

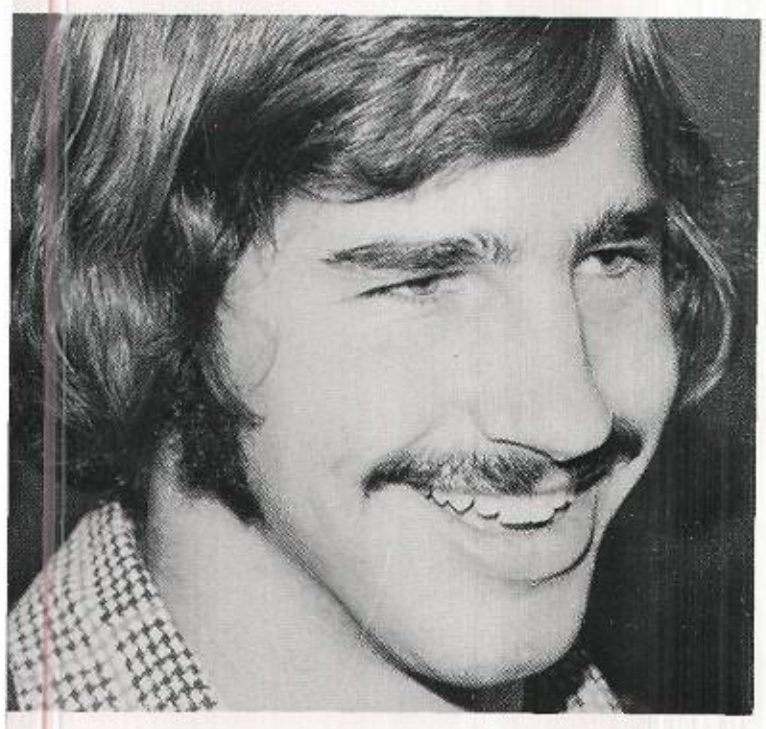
Terri Bridges is a senior who has been active in Student Council, Beta Club and choir. **Yulanda Jackson** is captain of the cheerleaders and active in Student Council.

Marcia Gray served as secretary for the Student Council, as a cheerleader and is in the Beta Club. **Louis Brolo** is president of ICT and was elected to Who's Who for all three years at JHS.

These officers helped to organize senior activities for graduation and the senior ball.



Left to right: ***Terri Bridges, Yulanda Jackson, Marcia Gray*** *and* ***Louis Brolo***



Seniors '75 are **on the move**

Our senior year is what we look forward to for many years. We suffered the embarrassment of being sophomores because we had the promise of being seniors. Our senior year has been fun, exciting, rich, rewarding, and fulfilling. Through all of the events of our year we remained proud seniors. We leave our mark on this school and feel our accomplishments were the best so far. Ours was a class **on the move**. From our first day of school to the moment of graduation we remained on the move with activities such as the senior ball, homecoming, ordering announcements and gowns, and going to parties. We are alive, active, and MOVING. We're the greatest class alive, we're the class of '75.

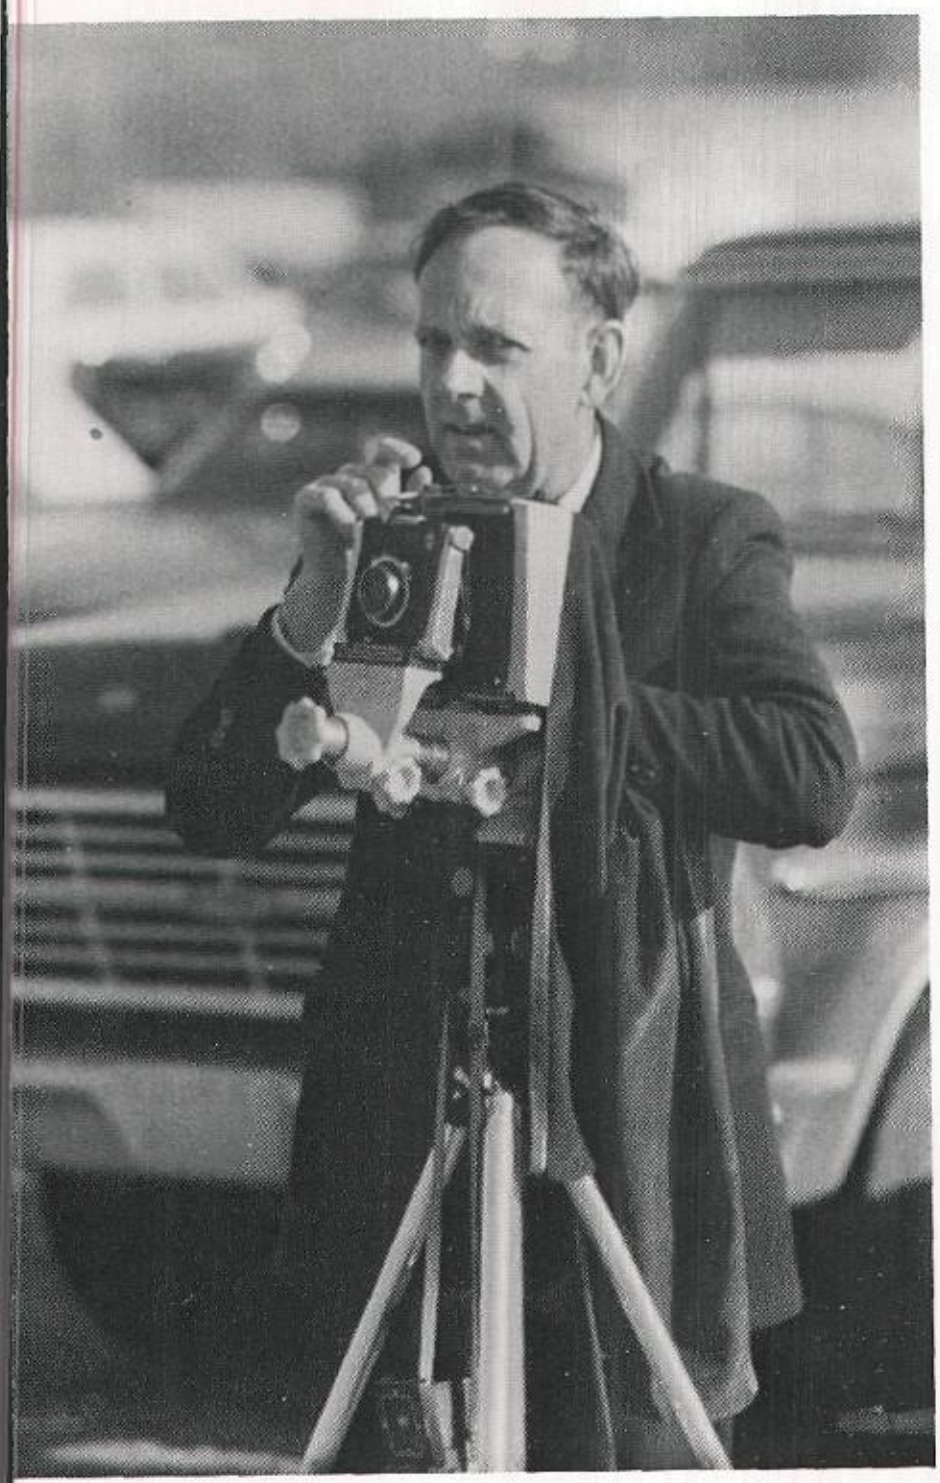
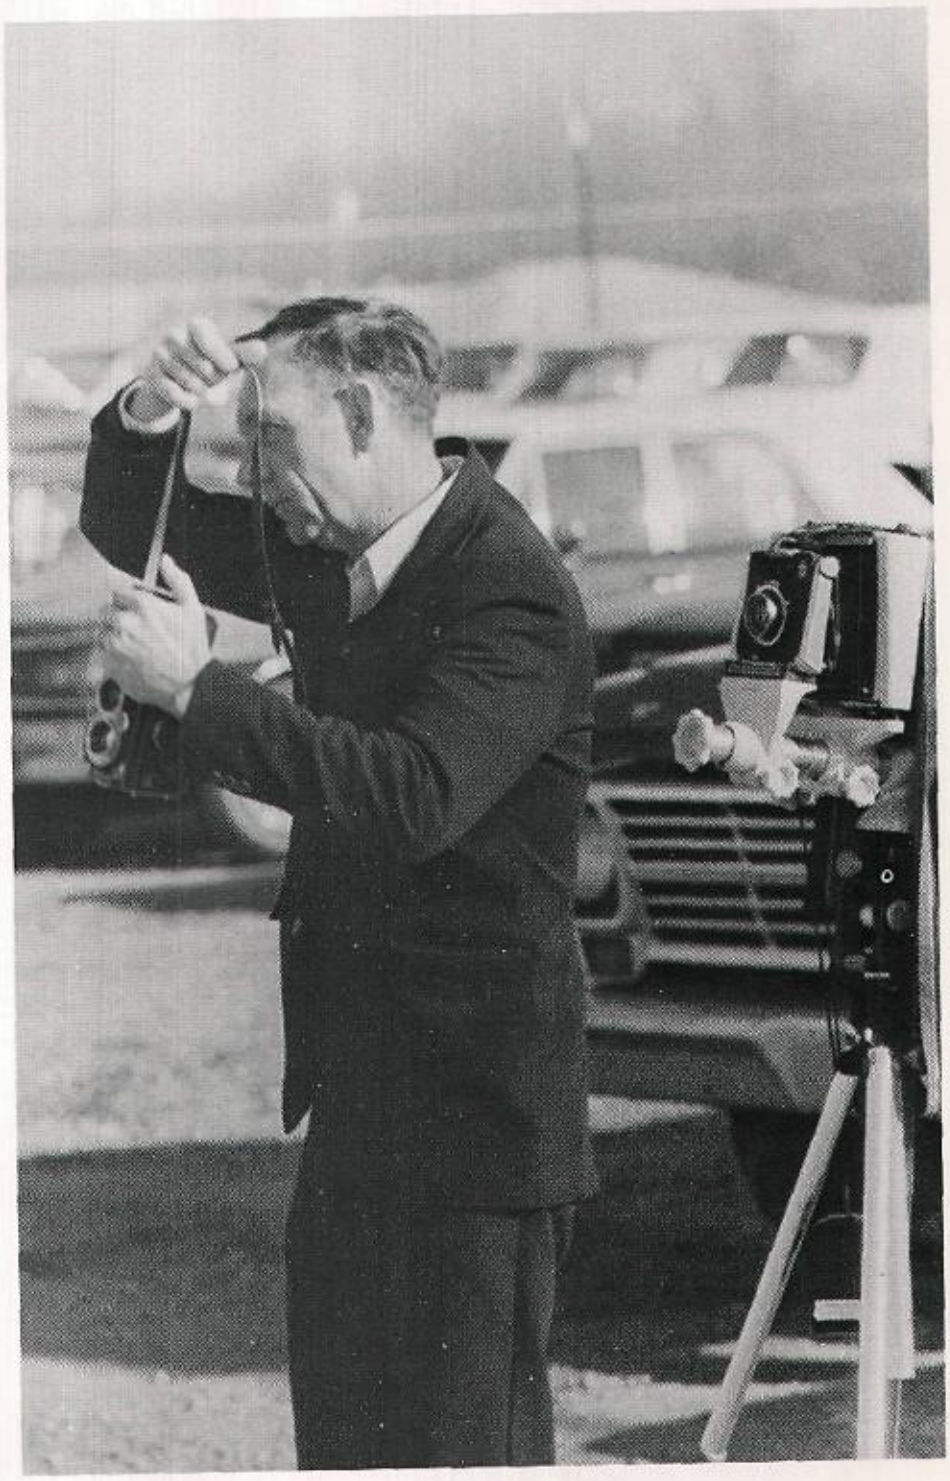
Wagnon Photography





The major part of the photography in the 1975 annual was done by Thomas Wagnon. The color pictures of homecoming and the color picture of the seniors are some of this work. Also, Mr. Wagnon photographed all of the clubs, the football and basketball teams, all of the classes, the Key Club Sweethearts, Junior Miss and Jr. Miss Jacksonville.

The 1975 annual staff appreciates all the time Mr. Wagnon spent in working with us. Thanks again for helping to make our '75 annual the "best".
